**A Resolution**

SUPPORTING CLEAN COMMUTE DAY AND BIKE TO WORK DAY; NOW THEREFORE,

Be it enacted by the Student Assembly of the University of Texas that:

**WHEREAS:** growth in automobile use has led to several problems in America including increased levels of air and water pollution, increased reliance on imported oil, excessive demand for land for parking and roads, and over 50,000 fatalities from accidents per year,

**WHEREAS:** use of other means of transportation such as buses, car-pools, and bicycles help to reduce these problems,

**WHEREAS:** the uses of these other means of transportation are under-appreciated by the general public, now therefore

BE IT RESOLVED BY THE STUDENT ASSEMBLY OF THE STUDENTS' ASSOCIATION OF THE UNIVERSITY OF TEXAS AT AUSTIN: that the Students' Association support Clean Commute Day and Bike to Work Day, coincident events on Thursday May 7, 1992, and we ask each member of the University community to attempt to reduce her or his "one-person-to-a-car driving" on that day.
