Title: Creating the Constituent Services Agency

Stage: PASSED - 04/29/2005

Owner: Jamie Baker

A BILL TO BE ENTITLED AN ACT

Be it enacted by the Assembly of the Student Government of the University of Texas

Creating the Constituent Services Agency of Student Government

Append Article 14, Section 5 of the Internal Rules:

Article 14 Section 5

Section 5: The Communications Agency shall oversee and facilitate the operations of the following agencies:

A. Student Forum Agency-The purpose of the Student Forum Agency is to present informative forums to the student body at the University of Texas at Austin about all issues that are of interest to the student body.

B. Membership Coordination Agency-shall assist in the orientation and retention of incoming and prospective students who desire to be in Student Government and shall organize methods to orient and connect present and prospective members of Student Government.

C. Underrepresented Student Recruitment and Retention Agency-shall encourage underrepresented students to apply to and attend the University and to aid in retention of such students. The agency will help coordinate the efforts of existing recruitment and retention groups and existing underrepresented student groups, schedule and execute recruitment and retention programs and will report on progress made to the Assembly.

D Community Messages Agency- shall communicate and cooperate with the radio and television stations of the University, through videotaping Student Government activities and coordinating interviews and programs with these stations. These video and audio productions shall be made available on the Student Government website.

E Outreach Agency- shall assist in the recruitment of incoming and prospective members of Student Government and shall work with the Communication Director to coordinate events and methods to recruit members and publicize Student Government.

F Survey Research- shall conduct student polls, analyzes information, and presents results of studies to the Assembly and campus at large and shall keep records of student and university surveys conducted by other departments or entities.

G. Constituent Services Agency- shall create a means of communications with the student population to the members of Student Government. The agency will check the Student Government e-mail; forward necessary letters to members of Student Government, coordinate a response to the questions and send the letter back to the constituent.
