

C O P Y

THE ACADEMY OF NATURAL SCIENCES

OF PHILADELPHIA

Nineteenth and the Parkway

Philadelphia 3, Pa.

September 16, 1946

Dr. Walter B. Jones
State Geologist
Geological Survey of Alabama
University, Alabama

Dear Dr. Jones:

I have your letter of the 14th regarding Dr.
S. B. Stenzel. The Academy at this time is not a finan-
cial position to increase its scientific staff. I would be
interested in knowing as to where rumors that we were in-
creasing our staff have originated. Could you let me know
about this?

Sincerely yours,

/s/ Charles M.B. Cadwalader
