BURYA SI MU RWANDA GUSA

Twagerageje gukurikirana hafi ikiganiro Edouard Karemera, Umunyamabanga mukuru wa MRND yagiranye n'ikinyamakuru "AFRIQUE EVENTS" ukuntu yashubije ibibazo yabajijwe n'abanyamakuru J. V. TCHENDO na MABITI ANGALI. Bamubajije ibyerekeranye na demokarasi mu gihugu cyacu ndetse n'ibyerekeranye n'imishyikirano y'u Rwanda na FPR-INKOTANYI.

Kuberekeye ishyirwaho rya Minisitiri w'intebe, bamubajije niba agamije kunga abaturage cyangwa kuyobora guverinoma y'inzibacyuho. Karemera ntiyagize isoni zo gusubiza ko azayobora guverinoma y'inzibacyuho! Ubwo abanyamakuru baguye mu kantu kuko bahise bamubaza ukuntu ibyo bishoboka kandi Minisitiri w'intebe yarashyizeho na Perezida wa Repubulika, akaba n'uwa MRND kandi atabyumvikanyeho n'andi mashyaka. Ubwo yariye iminwa ariko nk'uko adasanze abura icyo asubiza yavuze ko ari uko bakora.

Ubwo bakomeje bamubaza niba MRND ishaka Rukokoma asubiza mu izina ry'abanyarwanda bese ko nta yo bashakira niteze kuzaba ati amashyaka ayishakira n'ayifitemo inyungu (ariko kandi yiyibagiza ko ayo mashyaka nayo afite abayoboke batari bake). Ubwo yaje gukomeza asobanura ko n'iyi Rukokoma basaba itashoboka mu gihe igihugu cyacu kikiri mu ntambara. Nyamara mu kanya gato baje kumubaza ikibazo cy'Inkotanyi aho bakigejeje asobanura ko rwose Inkotanyi bazitsinze nta kibazo zibateye ari udutero shuma zisigaye zitera gusa.

Abanyamakuru bakomeje bamubaza niba FPR-INKOTANYI atari yo yatumye haba demokarasi mu Rwanda, avuga ko atari yo ati icyakora twemera ko ariho bihutishije icyo nzira ya demokarasi. (Yewe n'ako tukamushimire kuko yabera yavuze ukuri).

Abo banyamakuru bumvise bumwe bahita bamubaza bati niba mwaratsinze Inkotanyi imishyikirano muhora mugirana nazo n'iy'iki ko kandi akenshi ari mwe muyisaba? Ubwo Karemera yakozwe n'isoni amubaza nabi agira ati: Ni bande bari bakeneye icyo imishyikirano? Nuko akomeza agira ati ni abakuru b'ibihugu duturanye babishatse ariko si twe. Bati ese ko byagaragaye ko hari intumwa zanyu

zibonaniye n'Inkotanyi mu bwihisho hirya no hino? Karemera yarisobanuye ati impamvu tubikora ni uko Inkotanyi zidufatanyaga n'ubukungu bwacu kandi bwifashe nabi, ndetse yemeza ko hari n'impunzi nyinshi mu Rwanda hagati, kandi ko zigikomeza kwiyongera. Ubwo yari yibagiwe ko yigeze kuvuga ko intambara twayitsinze.

Nguko rero ukuntu Edouard yisobanura imbere y'amahanga ari n'ako asebya ishyamba rye haba mu Rwanda cyangwa mu mahanga.

Kubera izo mpamvu rero MRND iragenda itakaza abayoboke uko iminsi igenda yigiraye. Abanyarwanda benshi bamaze kujijuka kuko batakiribabwira bandi batungwa n'ikinyoma no kuba hanyiramuja icyo biyiza.

Kuri ubu binabaye ngombwa umuntu yakwemeza ko abantu basigayemuri MRND bayirimo ku mpamvu zihariye. Izo mpamvu ni izi: inda: ubwoba cyangwa ubujiji.

Abayisigayemo kubera inda ni abo yahaye umugati, ikabaha n'uburyo bwo

gusahura. Abo ni bo usanga bayasubiranye ariko nyamara ntibayobewe ubuho bwo n'amafuti yayo. None se icyo umugati yashyiraye ayoberwa ko akomeye icyaha? Ayobereye ahamukirye uwo yibye?

Abari muri MRND kubera ubwoba rero ni bo bateye agahinda kuko bashyiraye ijuru ribaguyeho batari uko bigenze; abashyiraye bakiri mu icurururindi bari bakomeje gukanguka bakamenya ko ubujiji ari ubwoba nk'izindi ko kandi babuterwa n'ibyo bashyiraye bitwa ko bashyigikiye. Hari abandi bari muri MRND kubera ubwoba bagafata umugati n'ingofere bya "ngurinzira" bakajijwe ishyamba. Ibyo ariko bigatwara n'ibyo bashyiraye n'ikandamiza rya MRND. Abo ntubabwiraho ibanga ni rya rindi "nta ibanga".

MRND rero ikomeje ubujiji bwo bashyiraye n'ubwoba kubera ko kwerekana ko izabitsimbanyije ubwikanyize mu nzego zose z'ubwoba n'igitugu ni byo biyiranga. Ikinyoma ni icyo gihabwa umwanya wa mbere.

Les pillages de l'automne ont coûté cher à l'économie Zaire : bilan matériel des émeutes

Le bilan du pillage et du sacca-ge d'entreprises zairoises aux mois de septembre et octobre derniers s'élève à près de 700 millions de dollars selon une première analyse du patronat zairois portant sur 685 entreprises sinistrées.

Dans un rapport publié par l'agence zairoise de presse, l'Association nationale des entreprises du Zaire (Aneza), qui regroupe entrepreneurs nationaux et étrangers) fait état de pertes de quelque 380 millions de dollars pour le seul secteur du commerce-import-distribution et de 137 millions pour les industries manufacturières, les deux secteurs d'activité les plus touchés. Viennent ensuite le secteur des services, celui de l'agro-industriel et le secteur minier, le moins affecté avec un sinistre évalué à 12 millions de dollars.

Tirant par ailleurs les conséquences économiques et sociales des événements, l'Aneza relève que les stocks des produits consommables qui se trouvaient sur le

marché au moment des pillages commencent à s'épuiser et qu'il n'y a presque pas de stocks de remplacement.

Elle relève en outre que pour la seule ville de Kinshasa, 75.000 travailleurs ont été mis en chômage et estime que ce chiffre est déjà dépassé avec la vague de résiliations de contrats de travail à laquelle on assiste ces derniers temps dans de nombreuses entreprises.

Evoquant l'éventuelle reprise d'activité au Zaire des entreprises étrangères, le rapport de l'Aneza estime que les yeux des entrepreneurs restent tournés vers le pouvoir qui doit poser des actes concrets susceptibles de restaurer la confiance et de faire renaître l'espoir pour la reprise des activités économiques.

L'Aneza estime sur ce point que les interventions concrètes de l'Etat « devront apparaître notamment dans l'allègement fiscal, dans l'octroi d'un concours financier pour constituer le fonds de roulement (des entreprises sinis-

trées) et dans le rétablissement du crédit du pays auprès des partenaires traditionnels, afin de bénéficier de leur assistance ». Par ailleurs, sur un plan plus politique, les Etats-Unis ont exprimé, vendredi, l'espoir d'une reprise « rapide » des travaux de la conférence nationale du Zaire, qui a été de nouveau reportée jeudi. « Notre espoir est que la conférence puisse reprendre rapidement pour préparer la voie à un gouvernement démocratiquement élu et apporter les profondes réformes nécessaires », a déclaré dans un communiqué.

Qualifiant la situation économique du Zaire de « désastreuse et en voie de détérioration », le département a estimé qu'il est « impératif que des progrès soient faits au sein de la conférence nationale afin que le Zaire puisse reprendre la tâche importante du développement économique ». La conférence nationale a été mise en place il y a six mois pour promouvoir des réformes politiques et constitutionnelles. (D'après AFP.)
