AUSTIN, TEXAS, TUESDAY, OCTOBER 21, 1919.

NO. 21.

FIVE LECTURERS ARE SECURED TO DELIVER TALKS

First Speaker, Edgar C. Raine of Seattle, Is Booked for Nov. 12

Mr. W. D. Hornaday, chairman of the faculty committee on public lectures, has made announcement of five lectures to be given before University audiences during the fall term and first half of the winter term. The lecturers are chosen because of their merits in particular lines of work, every one of which has proven of great interest to all college students. The committee has succeeded in getting five men of national prominence all of whom have achieved success in past year's work. The talks will be for the most part educational though a few, it is expected, will be for entertainment only.

The first speaker, booked for November 12, is Edgar C. Raine of Seattle, who will give a travel talk on Alaska. Mr. Raine has traveled both in Alaska and in Siberia, by foot and by boat, so consequently brings a world of interesting material. Reports of the profound enjoyment of his lectures from places all over the country have been received. He will illustrate his talk with slides.

Hugh S. Magill, field secretary for the National Educational Association of Washington, D. C., will speak on November 21.

Edwin Mims, professor of English in Vanderbilt University, Nashville, Tenn., will lecture on November 22. Neither Mr. Mims nor Mr. Magill have announced their subjects as yet.

Mr. William A. McKeever, head of the department of child welfare, University of Kansas will visit Austin for a few days the week beginning January 5th, or January 12th, to lecture and hold conferences with those interested in civic and moral problems which concern institutions of higher learning.

Frederick Dean of New York, the last speaker now arranged for, will come February 6th. He spoke here last year on Siam and his lecture was received with a great deal of enthusiasm. His subject for this year will be Porto Rico.

REGULAR VESPER SERVICE OF Y. W. IS HELD MONDAY

The regular vesper service of the Young Women's Christian Association was held on Monday at the regular hour. Umpire Lee, the head of the Methodist Bible Chair, spoke on growing so as to be broad enough to appreciate other people's views; this, he said, should be the chief result of a college education; yet with this broadness care must be taken that only the big things count.

It was announced by the World Fellowship Committee that the subject for the next service would be Russia and that a very interesting personality would also be there.

The musical program consisted of a vocal solo by Miss Gladys Powell with Miss Louise Evans at the piano.

Miss Essie Mae Davidson, secretary, is back in her office again now and Miss Marguerite Hutchinson, the Field Secretary, is also here for a few days.

Heavy Damage by Storm At Denton

By United Press.

DENTON, Texas, Oct. 21.—Bridges are washed away, several houses inundated, many head of livestock were drowned, and the streets were damaged to the extent of several hundred dollars from the cloudburst here last night.

The rainfall amounted to 5.35 inches.

ENGINEERS TO MEET LAWS IN GRIDIRON CONTEST SATURDAY

Intramural to Be Played as Preliminary to Baylor Game. Schedule Announced

The Laws will battle against the Engineers as a curtain raiser of the Texas-Rice game. The Intramural contest will begin at 2 o'clock.

Other games on the Intramural schedule are:

Oct. 31, Seniors vs. Juniors.

Nov. 1, Sophomores vs. Freshmen.

Nov. 8, the winner of above games

play, as an opener of the Texas-Arkansas game.

Nov. 14, the undefeated teams will decide the championship of the Intramural season as a preliminary to the Texas-Haskell game.

Y. W. C. A. HAS 565 MEMBERS

At present, the Y. W. C. A. has 565 members. No one is considered a member, even though she has signed up, unless she has paid her dues.

Without a campaign the membership dues have amounted to \$565. All of which was paid during matriculation week, except \$19 that was taken in last Saturday morning at the desk in the Y. W. room. From now on there will be one morning every week, some at the Y. W. to receive dues.

The Y. W. C. A. and Y. M. C. A. begin a joint finance campaign next week. Particulars of the plans will be given out later. The object of this campaign is to raise a budget of \$12,000 to defray the expenses of local and foreign secretaries, and all other expenses. Thirty-five hundred of this is to be spent in sending out secretaries to foreign fields, in the name of Texas University.

Yudenitch Tells Entry of Petrograd

By United Press.

STOCKHOLM, Oct. 21.—General Yudenitch told the American Ambassador at Sweden, Nelson Morris, that he expected to enter Petrograd today, and requested that America aid in feeding the starving population.

Y. W. C. A. WOMAN OF INTERNATIONAL FAME TO BE HERE

Miss Sarah S. Lyon, now executive secretary of the Overseas Department of the National War Work Council of the Y. W. C. A., will arrive in Austin this week, and will be here to address the girls of the University at the Monday Vesper service.

Miss Lyon spent over a year in France in active Y. W. C. A. service during the war, and since her return has been put in charge of the overseas work. She comes into personal contact with both departing and returning workers and for that reason has a clearer understanding of the foreign situation, probably, than any other woman in the United States.

An attempt will be made after her arrival to arrange a conference for all girls in the University to have the opportunity of talking with her.

Miss Lyon is coming at this time particularly in order to be here during the big Y. M. Y. W. C. A. finance drive next month.

ORGANIZATION POSTPONED

The Navarro County students met Thursday at 5 o'clock, but due to the weather conditions very few attended the meeting. The further organization of the club was postponed until 4 o'clock Wednesday.

SENATOR CLASSES MINERS' DEMANDS AS 'OUTRAGEOUS'

Frelinghuysen of New Jersey Defends Stand Taken by Operators

By United Press.

WASHINGTON, Oct. 21.—Characterizing the demands of the coal miners as "outrageous" Senator Frelinghuysen of New Jersey, in a senate speech today said that he did not blame operators for refusing miners' demands for six hour day and a five day week.

Compromise favored At the same time Secretary of Labor Wilson issued a plea for a compromise of the strike ordered for November 1. Just before this one hundred delegates called by Wilson in an effort to avert the strike began a conference in which Wilson urged both miners and operator representatives to seek some ground for reopening negotiations in order to prevent a walkout.

RECEPTION SATURDAY

Saturday night of this week there will be held a reception for the new members of the faculty of the University. The plans for the reception are in the hands of the Faculty Club, an organization of many years standing here. There will probably be a larger reception this year than before, because of the many new members that have been added to the staffs of the various departments. Many old members of the faculty too are not back this year, and new men are occupying their places. In the receiving line for the reception on Saturday night will be Dr. Vinson and all of the old members of the faculty club.

Meetings of the club have already been held, and activities planned. Some of the officers of last year did not return. E. K. McGinnis of the School of Business Administration, who was formerly secretary of the club is now in Kansas City with the Packard automobile people. The officers of this year are, president, Dr. W. S. Sutton; vice-president, J. W. Calhoun; secretary, M. R. Gutsch.

INITIAL MEETING OF REED MUSIC SOCIETY WEDNESDAY

At 5 o'clock Wednesday afternoon the Reed Music Club will hold an open meeting in S. Hall, School of Music. All former members of the club are expected to be there, and every girl in the University who can play or sing, or is in any way interested in music, is urged to attend this initial meeting.

Frank Le Fevre Reed, chairman of the School of Music, and Irving Willard Jones, director of the Glee Club and professor in the School of Applied Music, will have charge of the program, which means that a treat is in store for all who attend.

STAFF BEING SELECTED

Zeke Crutcher, editor-in-chief of the 1920 Cactus, has announced that important information in regards to the staff will be shortly forthcoming. While withholding names as connected with assignments on the Cactus he has adopted the policy of choosing only those people who show that they can really work and get results. Crutcher is well pleased with progress made so far in regards to the new material for the book. He says that Texas University will have a greater Cactus for 1920, and this will be proven in part when the artists start turning out the best drawings ever found in a year book of the University.

UNIVERSITY GIRLS WILL BE FAVORITES AT COTTON PALACE

Co-Eds Will Be Duchesses and Maids of Honor at Annual Waco Event

The University of Texas will be well represented at the Cotton Palace in Waco, which opens October 30. The most important social events of the fair will be the queen's coronation and ball, the queen's rose tea and his majesty's reception for the royal party.

Among those in the party will be Misses Alethea Sleeper, Helen Williams and Almeida McGregor, all of Waco, who will be princesses. Gayley Wilkes of Waco, will be duchess from the University of Texas. She has chosen Miss Dorothy Colvin to be her maid of honor.

Miss Marguerite Kerr will be maid of honor to Miss Ava Lee Mars, B. A. '19, who is duchess from Fort Worth. Miss Belie Trimble, duchess from Orange, has chosen Miss Katherine Thornton as her maid. Miss Kiel Campbell, duchess from Temple, has Miss Hallie Kelley as her maid of honor.

Three former students have been appointed duchesses: Miss Leila Beal Anderson will represent Wichita Falls; Miss Chubby McKenzie will be duchess from Mexia and Miss Sarah Bridges will represent El Paso.

Miss Jane White is Mason's representative, her maid of honor is Miss Emily Wurzbach. Miss Betty Bird and her maid of honor, Miss Dorothy Baker, will represent San Angelo. Miss Margaret Curtis is duchess from Amarillo.

Miss Mattie Craig and her maid of honor, Miss Mildred Norwood, will represent Navasota.

Miss Nobie Webb is duchess from Bryan and has as her maid Miss Eleanor Atkinson.

St. Louis School Children Greet Belgian Royalty

By United Press.

ST. LOUIS, Oct. 21.—Hundreds of school children surrounded King Albert's train when it arrived here today enroute to Washington. The king and queen rode through the city in an automobile parade.

RIBBON CLUBS ELECT MEMBERS

Angler and Rabbitfoot Clubs Announce Pledges—Plans for Dance Discussed

Rabbit Foot and Angler Clubs sent out their bids last night, and this morning pledge ribbons, signifying acceptance of the bids, were conspicuous on the campus.

Rabbit Foot pledges are Marjorie Watson, Amanda Howze, Dorothy Cox, Frances Hicks, Dolores Dore, Anne Hamilton, Lucile Witherspoon, Marjorie Blakeney, Marguerite Kerr, Lucile Clift, Georgia Colvin, Gayly Wilkes, Margaret Kelly, and Cornelia Cargill.

Louise Montgomery is president of Rabbit Foot, and Katherine Lillard is secretary-treasurer. No definite plans have been made for the year, but a luncheon at the Country Club and a dance during the winter term are being discussed.

Angler pledges are: Sidney Grogan, Margaret Wilkins, Dorothy Baker, Frances Bradley, Josephine Bell, Mary Moore Angell, Dorothy Reardon, Margaret Curtis, Lillian Rockwell, Mary Lou Barlow, Beth Holmes, Elizabeth Sanderson, and Nell Cockran.

Angler officers are: Ruth Johnson, president, and Kate Yagey, secretary-treasurer. They are planning a dance for the winter term.

MEETING OF A. E. F. FOR ORGANIZATION WEDNESDAY NIGHT

President of Students' Association Issues Call for A. E. F. Men

All A. E. F. men of the University are requested to meet at the Y. M. C. A. auditorium Wednesday night at 7:15 for the purpose of perfecting an A. E. F. association.

The committee appointed by President Hawkins of the Students' Association is composed of the following men: Raymond P. Elledge, chairman; Ben Kelley, James B. Morgan, Mack Hodges, and John C. Patterson.

A loose organization will be formed and a board of directors elected who will also act as membership committee to solicit members in their various departments. There are between 150 and 200 A. E. F. men in the University and every man who served for any time over seas will be asked to become a member.

There will be no dues and there will be no initial fees asked of the members. It is purely a social organization gotten together for the purpose of giving the men who served in the A. E. F. an opportunity to become acquainted with each other. No distinction as to rank or time of service in the A. E. F. will be made.

If the members are desirous, it is planned to have a banquet on Nov. 11, at which "The Battle of Paris" will be fought again and at which Spanish athletics will have full sway. Other social activities will follow, the planning of which will be in the board of directors.

A president, vice-president, and secretary-treasurer will be elected at the meeting on Wednesday night.

All men of the A. E. F., both of the faculty and of the student body of every department are urged to attend.

DRYS WIN.

By United Press.

TORONTO, Oct. 21.—Liquor referendum resulted in a victory for the "drys" in the Province of Ontario general elections yesterday.

NEW SONGS AT GAME GIRLS GO IN BODY LOTS OF PEP SAT.

Co-Eds will go to the Baylor game in a body next Saturday, meeting in the woman's gym at 3:30, they will proceed to the co-ed rooting section. No girl will be admitted to the co-ed rooting section without the section ticket. These tickets will be issued to the girls before they leave the gym.

The girls' rooting will not include yelling; their loyalty will be mostly vented in Varsity songs, as has always been a tradition on the campus.

There is a rumor of a Baylor song. Songs will be learned before the game, it was announced.

The words to "Don't send my boy to Baylor" must be recalled for Saturday.

A timely, though perhaps needless warning to former Baylorites—Root for your colors. Disloyalty to the Orange and White and the aftermath of disloyalty are things—You nor any Texas student will ever forget according to those "in power." Ask the Bryan girls about last year's game, it was suggested by an upper-classman.

CAPTAIN SMITH ARRIVES

By United Press.

SAN FRANCISCO, Oct. 21.—Capt. L. H. Smith, first of the fifteen western flyers to complete the transcontinental air race to New York and return arrived here today.

PLANS DEVELOPED FOR CAMPAIGN TO BE STAGED BY 'Y'

Sixteen Students Are Guests of Y. M. C. A. at Luncheon to Plan Drive

Yesterday evening in the Y. M. C. A. building, sixteen representative students of the University were guests of the association in an informal luncheon held for the purpose of organizing for the campaign which is to come off next week. These men will probably be captains of the teams which will go out to see University men on the 28th and 29th of this month.

All those who were present were very enthusiastic, and with them in charge, they expect an entirely successful drive. It was agreed that these men will serve as the nucleus for organizing the large committee, and that they would be responsible for securing the rest of the workers. Two men will work together in getting up each team, and enough more captains will be secured so that there will be a total of at least ten teams. Each of these will be composed of the two captains and ten men. Hence, the total number of the committee will be 100. All of those present last night agreed to get five men apiece.

In order that this committee may work as a satisfactory unit there will be a mass meeting on next Monday night, at which plans will be arranged for the work. This meeting will be presided over by L. A. Coulter, and will be the real starting point of action.

Those who were guests of the Y. M. C. A. were J. A. Barnes, George Peddy, Grady Fuller, Otis Nelson, Wallace Hawkins, T. E. Hayden, McCord McIntyre, Reagan Huffman, Townes Harris, Richard Jonas, Ellis Bonnett, Everett Jones, H. T. Bowyer, Charles Harritt, Clayton Heare, and Dan Jackson.

Y. M. C. A. officials present were: H. W. Strasburger, president of the Y. M. C. A. Cabinet; Robert Field, chairman of the cabinet campaign committee; T. W. Currie, general secretary, and James Anderson, Jr., student life secretary for men.

BEDICHEK EXPECTS 5000 SCHOOLS TO BE ENROLLED IN LEAGUE

Roy Bedichek, head of the school and community division of the department of extension of the University of Texas, and vice-president of the University Interscholastic League, reports that 1,040 schools have joined the league this year, and that there are fifteen 100 per cent counties. This is an unusual enrollment for this time of the year, and it is thought that there will be 5,000 schools in the league before the end of the season.

In addition to the contests heretofore conducted there is to be this year a new one in extempore speaking. The tennis match for girls is to be carried on to the state meet, instead of ending with the counties. New rules for essay writing will insure fairness in judging, and originality on the part of writers. Thrift topics are to be taken as subjects for both essays and extempore speaking.

ATHENAEUM TO MEET

The Athenaeum Literary Society will hold a very interesting program tonight at 7:30 o'clock in room 405, Law Building, the program to consist of a parliamentary drill which will be conducted by Senator R. E. Cofer.

All members are urged to be present, and visitors are cordially invited to attend the meeting.

SPEAKING OF CAMPAIGNS.

Here are just a few words in passing on the subject of political campaigns. At the time this being written the results of the election have not been announced; should another editor occupy this chair tomorrow, he can have the pleasure of disagreeing if he so chooses.

One of the candidates in one of the races expressed himself as believing that there could not be an election campaign without a great amount of friction, and judging not only by today's election, but by the elections at the University during the last few years, his opinion seems to be substantiated by the facts.

But we wonder if it is not possible to have a race that is absolutely clean; we wonder if the only way to win votes is through the use of abusive and unsubstantiated statements at the last moment before the election.

Perhaps no candidate in the last race, that is no candidate in a race where the results were doubtful, can point to his campaign with unmitigated pride. Certainly some did not play as fairly as others.

This election is over. But whatever its results, it should not be forgotten. There should be such a sentiment aroused in the school that a man will know that "mudslinging" will not aid but injure him.

UNIVERSITY TAKES

ADVANTAGE OF ACT

PROVIDING TRAINING

The University of Texas is taking advantage of the provisions of the Smith-Hughes Act for vocational and industrial education by establishing a department of vocational and industrial instruction.

The Smith-Hughes Act, which congress, passed in 1917, promotes industrial and vocational education by subsidizing schools which qualify under the provisions of the Federal law. For each dollar the state spends on vocational education the Federal government appropriates a dollar. The Federal Board for vocational education is charged with the administration of the act. The state board for vocational education consisting of the

governor, the state superintendent of Public Instruction, controller and secretary of state, has charge of the work within the state of Texas.

S. M. Kinsopher has been appointed director of vocational and industrial instruction for the University of Texas. He holds the degree of Bachelor of Science in electrical engineering and has had thirteen years experience in the electrical industry. He was formerly assistant director of vocational education in Kansas City, Mo. He returned last April from France after one and one-half years in the A. E. F. with the Rainbow and Second Divisions as a captain and later major of signal corps.

An assistant director who will be in charge of the vocational and industrial work for women has not yet been appointed.

Rail Men Will Not Strike in Sympathy With Steel Workers

By United Press.

WASHINGTON, Oct. 21.—John Fitzpatrick, steel strike chairman, arrived here today seeking a conference with the Big Four Railway Brotherhood leaders who are attending the industrial conference. Fitzpatrick did not make public his reason for an interview, but officials said rail men will not strike in sympathy with steel workers.

DIRECTOR TO BE OUT NOV. 1

Mr. F. W. Graft, secretary to the president, says that the director will be ready for distribution by the first of November. There has been hard work put into it this year, and it will be a very great help if any whose names or addresses are not in the hands of the committee will see that Mr. Graft or some member of the committee, has that information as soon as possible.

The publication has been a considerable undertaking, and for that reason there are to be no new features connected with it.

ABOUT UNIVERSITY PEOPLE

Edited by G. G.

D. A. SIMMONS
of Houston.

Photo by Jensen-Raymer.

Introducing the brother of the bird man: D. A. Simmons of Houston, a former student of the University, has returned to complete the requirements for the L.L. B. degree, to be conferred in June.

Mr. Simmons is known by the older students, and he is winning recognition among the students by his contributions to the map and to the Texan. He is the writer of "Dr. History Too" which frequently appears in our daily paper.

Entering the University in the fall of 1924, Mr. Simmons was here as a student of law until the beginning of the war. Among the honors he received during that time were membership in Kappa Alpha fraternity, Sigma Delta Psi, honorary athletic fraternity, Phi Delta Phi, honorary legal fraternity, debating squad of 1927, presidency of Speakers' Club 1927, and membership in the Curtin Club, and the Y. M. C. A. Cabinet 1927. He was on the track team during his sophomore and junior years, and his activity in this field won him the athletic letter.

During the war Mr. Simmons was in the Air Service. He received ground school training in S. M. A., from where he was transferred to Camp Dick. From Camp Dick he was sent to Southern Field, Georgia for training in flying. Here he was commissioned a second lieutenant in the Air Service. He received his discharge from the army in February 1918, after which he returned to Houston and began the practice of law. He also served as a Deputy United Marshal until he re-entered the University this year. Mr. Simmons is a member of the Texas Bar Association. He belongs in the valley with the other followers of Perseus.

H. R. THOMAS IS TESTING ENGINEER

Received C. E. Degree From University in 1912—Reports for Duty Oct. 22

H. R. Thomas has accepted the position of testing engineer in the engineering division of the Bureau of Economic Geology and Technology at the University of Texas and is expected to report for duty Oct. 22.

Mr. Thomas is at present engaged as a structural testing engineer for the concrete ship section of the United States Shipping Board Emergency Fleet Corporation, which position he held since April, 1918. Since January his work has been that of stress measurements during launching and operation of concrete and steel hulls.

Thomas graduated from San Antonio high school in 1908 and received his C. E. degree from the University of Texas in 1912. During his studies at the University he did railway location work in Mexico. From 1912 to 1914 he held the position of research fellow in theoretical and applied mechanics at the University of Illinois from which he received the M. S. degree. Prior to his work with the shipping board Mr. Thomas was employed for four years as assistant engineer of tests for the joint committee on stresses in railroad track.

PETE SEE.

Dear Sallic: I am well,
An' hope you are the same,
I seen your brother an' his wife,
Over to the Dallas gain.

I'm gittin' long purty well,
So far as I can see,
I done maid a "F" or two—
An' also maid a "E."

I asted a sufarmoar down here,
What them letters meant:
He scratched his haid a time or two,
An' then he kinder grint.

He sed the "F" meant "fast,"
An' "E" meant energetic;
I told him, fer the life of me,
I cudin't see how they git it.

Hits awful damp aroun' this burg,
An' mighty full of crickets,
They flock aroun' these here lamps,
In droves of hoppin' thickets.

I told you all the news I guess,
So'll hang up fer this time,
Expectin' of a anser soon—
I am forever thine.

HEAR CANE GROWERS

By United Press.

WASHINGTON, Oct. 21.—The Senate agriculture committee, which is investigating the sugar shortage, today heard testimony of the Louisiana cane growers.

Monday Night Hop Successful Without Music

(By Wanda Montague.)

The members of the students' orchestra surely had quizzes on their programs for today, because they did not appear at the dance last night in the woman's gym. No one knew why the orchestra was not furnishing the music, but that, or the rain either, did not seem to dampen the enthusiasm of the dancers.

The gym piano and several good pianists were there, however. The music furnished was fine, and it sent thrills through the dancing spirit of each of three hundred dancers, for there was not one dragging a step.

There were no wall-flowers at that dance, either, and long before their time the boys were crowding in the doorway. One was heard to say, "Oh, tell her it is time, or we are not going to get to dance long enough for anything."

Evidently the math problems and themes that were waiting at home were not very appealing, for it was a reluctant crowd that had to leave promptly at eight o'clock.

Bolshevik Loses Are Confirmed by England

By United Press

LONDON, Oct. 21.—The British communists today confirmed the capture of Gatchina and Grasseles by the Anti-Bolshevik forces. The Anti-Bolshevik cavalry surrounded Petrograd.

General Yudenitch captured Pulkovo Hill with its important observatory. The Bolshevik forces are entrenched in Petrograd with large military and food supplies.

Wilson's Condition Remains Unchanged

By United Press

WASHINGTON, Oct. 21.—Dr. Grayson's statement at eleven thirty this morning said: "The President's prostatic condition remain unchanged. A chemical examination of the blood shows that the kidneys are functioning normally. He did not sleep so well last night, but showed no signs of fatigue this morning."

Crozier Gowan, chairman; Hilda Molesworth, vice-chairman; R. M. Field, Ruby Black, Gregg Francis, Mary Louise Gardner, Zeke Crutcher, Frances Dohoney.

PRESIDENT.

—OFF NOTICE. Present Day Club will have a regular meeting Wednesday afternoon at 5, promptly, at the home of Mrs. Percy V. Pennybacker, 706 Whitis Avenue. All members be present.

FLORENCE MALONE,
President.

All "Big Sisters" are requested to meet Miss Casis at 5 o'clock in room 158 Main Building Oct. 22.

MISS CASIS.

Any student who wants to join the Travis Post of the American Legion will see L. Theo Belmont or Roy Henderson at the Men's Gym. Membership taken in the local post is transferable to home town organization.
