EXPLANATION OF COLUMN HEADINGS, NOTES AND ABBREVIATIONS

Book Code (Explained on page 4)

T Teachers' Edition of Title

Title of Textbook

E Edition (3 **E** = Third Edition)

L Level (**L 1** = First Level, **L 2** = Second Level)

RV Revised or revision (2 **RV** = Second Revision)

**After the title of a book, indicates that the publisher of the book did not offer it for re-adoption at the time the contracts for other books on the multiple list were extended. This book is to be continued in use in those schools for which it was adopted.*

Notes

Numbered notes referred to are those printed on page 4 and on the Annual Requisition forms.

Teachers' Aids

The following alphabetic codes identify manuals, guides or other aids included in publishers' contracts for the pupils' textbook and are available where the textbook for which they are supplied is used in classroom quantities. All aids are to be requisitioned at the time the Annual Textbook Report is submitted.

A Teachers' aid available for use with the particular title

B Teachers' aid for use with two or more titles of series adopted for the same grade level

C Teachers' aid for use with books for two or more grade levels of the same series

D Teachers' aid for use with all adopted book of a series

E Teachers' edition supplied without cost to the State or school

F Teachers' manual or teachers' edition

G Conductor's book for Band or Orchestra

Copyright Date

Contract Period

September 1 of first year is beginning date of original contract; August 31 of second year is final date of current contract.

Publisher

See page 50 for complete names of all publishers holding State textbook contracts and the Texas Depository through which each distributes books.

Contract Price

This is the current price at which books are purchased or payment is made.

Exchange Allowance

This is the amount the publisher of the current-adoption textbook pays the State for the displaced books received from the State during the first two years of the new contract.

TEXTBOOK QUOTAS AND RELATED INFORMATION

General Provisions

- Requisitions may be made only for the books selected for use in the school system.
- The number of copies of all selected titles on a multiple list is to be considered in requisitioning additional copies of any book on the list. A "multiple list" consists of two or more books for the same grade and subject. A list is usually identified by the first four digits of the book codes. The first three digits identify the lists of Band and Orchestra.
- Usable copies of one title on a multiple list may not be returned in order to secure copies of another title on the same list.
- Textbook contracts may include one or more types of teacher materials for use with a title. Such materials are supplied only if the pupil edition is used.
 - a. Teacher Edition purchased by the State (these are indicated by "T" following the book code.)
 - purchasable teacher editions must be considered in the quota for the title and the multiple list.
 - the number of purchasable teacher editions allowed is not to exceed the number of teachers for the subject.
 - b. Free Teacher Edition or free Manual, Guide, etc. (these are indicated in the "Aids" column.)
 - free materials, although not shown on the school's Annual Statement of Textbook Charges, remain State property and should be included in the local textbook-accounting records.

Normal Quota Provisions

These apply to basal textbooks unless otherwise indicated in the next section.

- a. The normal quota is 100% of the membership in the assigned grade if the multiple list was adopted for use in Grades 1 through 6, or 100% of subject membership if adopted for Grades 7 through 12, plus 10% of the membership or the number of teachers.
- b. A school is not entitled to more than 110% of a title including teachers copies.
- c. A teacher is entitled to one book in each subject being taught.

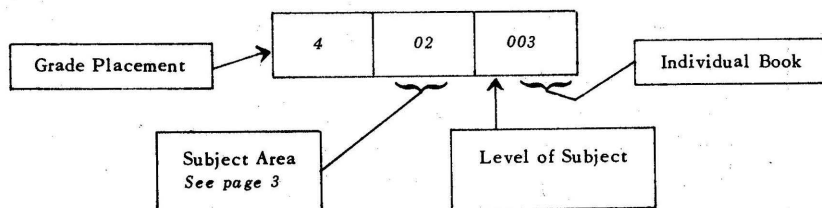

Special Regulations and Quotas

1. Pre-Primer Basal Readers - 150% of normal quota based on grade one membership.
2. Supplementary Readers for Pre-Primer, Primer, and Grade 1 - 300% of grade one membership (only) for each list.
3. Grade 1 Vocal Music - Supplied to only teachers of this subject.
4. Grade 2 Basal and Supplementary Readers - Combined total of these two lists is not to exceed 400% of the grade membership with a limit of 100% on each level of basal readers and a limit of 300% on the total of supplementary readers. Basal readers are on normal-quota basis; supplementary readers on actual membership.
5. Grade 3 Basal and Supplementary Readers - Quota is the same as for Grade 2.
6. Supplementary Readers for Grades 7 and 8 - 200% of membership (only) in grade to which books are assigned.
7. Dictionaries for Grades 4 through 7 - 60% of combined membership (only) in these four grades.
8. U.S. History for Grade 5 or Grade 6 - Normal quota for one of these two grades.
10. Elementary Spanish for Grades 3 through 6 - Books adopted for each year of elementary Spanish may be supplied on basis of normal quota at the particular level.
11. Spanish Dictionaries - 30% of combined membership (only) in elementary Spanish classes in Grades 3 through 6.
12. H.S. Agriculture - Combined total of books not to exceed normal quota based on 200% of the Agriculture Department membership.
13. Grade 7 or 8 Agriculture and Homemaking - Books in these subjects are for use in either Grade 7 or Grade 8. Orders may be based on subject membership from one grade, but not from both grades.
14. Stenography - Normal quota based on subject membership of a manual and also of the dictation book.
 - Advanced Shorthand - Normal quota of the subject membership for each the transcription book and for the speedbuilding book.
15. Physical and Health Education - Limited to normal quota based on Grade 9 membership.

16. Grade 8 Dictionaries – 166% of membership (only) in Grade 8.
19. All copies of this teacher edition remain charged to the quota until properly accounted for. Additional copies may be requested on Order Form for Teacher Aids which is to be submitted only once a year with the Annual Report.
20. Vocational Industrial Education books on this multiple list may be supplied only to those schools currently approved for the specific area in either Cooperative Vocational Industrial Education or in Vocational Industrial Education.
21. Grade 7 Texas History – Copies of the Texas Constitution may be supplied with an accompanying Texas-history in the ratio of one Constitution to two copies of the textbook. These copies of the Constitution are to last for the duration of the contract period and are for use with Grade 7 Texas History, High-School Texas history, and/or High School Civics.
22. Mallory, Geometry – "Supplement on Solid Geometry" is supplied with each copy of this textbook. Whenever copies of *A First Course in Geometry* are returned, an equal number of Supplements is also to be returned.
23. Homemaking – Combined total of books for the subject is not to exceed the normal quota based on 200% of the high-school Homemaking Department membership.
24. Industrial Arts – The normal quota applies to this Industrial Arts multiple list based on the over-all membership for the subject in Grades 7 through 12, regardless of local grade placement of individual titles.
29. Drafting and Graphic Arts – Textbooks in these subjects are available on the normal-quota basis for classes in Industrial Arts Grades 7-12 and/or Vocational Industrial Education, Grades 9-12.
30. French, *Engineering Drawing* is limited to actual enrollment in Advanced Drafting courses only.
31. Beginning Typing – Books are available for pupils enrolled in the subject from Grades 8 through 12. Book number 9-66-107 is for pupils desiring a one-year course; it is not designed as a foundation for Advanced Typing.
32. Grade 12 Dictionaries – 25% of membership (only) in Grade 12.
34. Band and Orchestra – Books in these subjects are available on the normal quota basis for pupils enrolled from Grades 5 through 12.
35. Grade 2, Vocal Music – New contracts in this subject do not begin until September, 1965. Books in the schools at close of 1963-64 are to be continued in use until that time.
36. Supplementary Readers for Grades 4, 5, and 6 – The gradual introduction plan for 1964-65 allows a total number of readers per grade equal to 100% of the membership in the grade to which the books are assigned. An additional 100% per grade will be available in 1964-65.

1965-66

EXPLANATION OF TEXTBOOK CODE

*Grade Placement*

- 0 – Adopted for use below Grade 1
 1 – 8 – Grade for which adopted
 9 – Adopted for use above Grade 8

Level of Placement

- 1, 2, etc. – Indicate level if more than one.
 3 – Readiness level
 5 – Pre-Primer level
 7 – Primer level
- } – when used with 0 grade

CALENDAR FOR TEXTBOOK ADMINISTRATION

1964

SEPTEMBER 1 to FEBRUARY 28

Emergency requisitions may be filed during this period to take care of unexpected actual needs. These requisitions are to be submitted on the blue Emergency Textbook Requisition, Form Tex-007E.

DECEMBER 15

School Board to appoint Local Textbook Committee by this date.

DECEMBER 20

Final date for filing Requisition for Sample Books, Form Tex-019 in Textbook Division.

1965

FEBRUARY 15

Last date for book payments or other transactions that are to be credited to accounts before Agency records are closed prior to printing new Form Tex-006.

FEBRUARY 28

Last day for filing textbook requisitions for current session.

MARCH 1

Date on which Local Textbook Committee is to complete Report for submission to the School Board.

MARCH 20

Textbook Division will begin mailing forms to be used in making the Annual Textbook Report.

MARCH 31

Form Tex-008, Local Textbook Committee Report, including estimates of needs for new books, due in Textbook Division. No supplemental reports will be permitted.

APRIL 1

Accounting for samples to be completed by this date.

APRIL 25 to JUNE 15

Period during which annual requisitions are to be made.

The annual reports of memberships and textbooks are required by law and are to be filed even though additional textbooks are not requisitioned.

JUNE 1

Annual Shipments of books to schools to begin on this date.

New-book shipments will be scheduled according to date of receipt of complete, acceptable report.

SCHEDULE FOR BOOK SHIPMENTS TO STATE DEPOSITORY

1964

OCTOBER 1

Beginning of period during which worn-out and surplus current-adoption books are to be shipped. A date will be assigned and forms supplied to each school for the return of books to the Textbook Division.

1965

FEBRUARY 1 to 28

Old out-of-adoption books are to be shipped at custodian's convenience during February. No packing list is necessary.

JUNE 1 to AUGUST 1

Exchange books are to be shipped on date assigned by Textbook Division. Ship only titles printed on the current Form Tex-016X, Exchange-Book Packing List, supplied by Textbook Division.

APRIL 1

Latest date for returning sample textbooks. Books should be shipped to the State Depository in March as soon as the Board of Trustees ratifies the Local Textbook Committee Report.
