WOODEN-SOLED FOOTWEAR

REDUCTION IN NUMBER OF COUPONS REQUIRED

The number of coupons required for wooden-soled footwear  
(including non-industrial clogs) is reduced as from November 22.  
Men's wooden-soled footwear (formerly 7 coupons) will now require  
5 coupons per pair and women's wooden-soled footwear (formerly 5  
coupons), 4 coupons.

This is made possible by the recent improvement in the  
supplies of wooden soles.

Women's wooden-soled shoes are now available in quite good  
quantities, but the demand for men's wooden-soled shoes has been  
much smaller and there are unlikely to be many of these in the  
shops for the present.
