Dear Dr. Stenzel:

I am enclosing a carbon copy of a letter to Dr. Sellards. If you are able to give me any help on this matter I will greatly appreciate it.

I do not know if you have heard of the adventures of Fritz Mueller or not. Lieutenant Mueller was captured near Vianden, Luxembourg last December, shipped to Oflag 63, at Szubin, Poland, and liberated by the Red Army late in January. At the present time he is at home here in Houston.

As you know Mike Halabauty is on the joint Army-Navy Petroleum Board in Washington and is doing an excellent job. C. R. Wallace is working for The Texas Company here in Houston, and Ed Smith is also here, working for Standard of Texas.

I would certainly appreciate a line from you if you can give me any dope on the faults.

Very sincerely yours,

JRG/rj
