MASS MEETING ACCOMPLISHED NOTHING AT ALL

Purpose of Meeting Is Forgotten When Old Issues Are Introduced. Parliamentary Tilts and Personalities Engaged In.

(By Lynn W. Landrum.)

Personalities, charges and counter-charges marked the meeting of the Students' Association which adjourned at 1:50 yesterday afternoon after two hours and twenty minutes of oratory and demonstration in the University Auditorium, without the accomplishment of anything more tangible than stirring up an old-time bar-frat fight. Although the purpose of the meeting, as set forth by M. H. Griffin, vice president of the Association, was to pass a resolution requesting the decision by the Students' Council of their recent constitutional ruling by the force of which the names of Young, Berry and Cotten will not appear on the official ballot, yet a substitute offered toward the latter part of the meeting by H. L. Darwin, a senior law, turned the assemblage topsy-turvy.

The substitute as offered was in the form of a request for the calling by the president of the Association of a special election within two weeks for the purpose of determining the popular sentiment of the student body toward the abolition of fraternities in the University of Texas, both fraternity men and barbs agreeing, so read the motion, to abide by the results of such election. It was over this motion that the hottest fight was raised, the result being that it was tabled by a vote of 370 to 340.

On a point of order raised by Gowan Jones, Myron Blalock, whom President Adair had called to the chair shortly before, ruled that a motion to table a substitute carries with it the original motion, and as there was nothing before the house he entertained the motion to adjourn.

The meeting broke up with a great shout and some confusion.

Points brought out by Mr. Griffin were that two of the candidates adversely affected by the Council's ruling were without opposition, that the resolution was not mandatory, that he himself would not hold the vice presidency longer than the present term if Mr. Berry's name is left off the ticket, and that his own election by a majority of 113 last year as against Mr. Adair's majority of 7 gave him the right to be heard. A ripple passed over the audience when he stated that he recognized that Mr. Adair was the "dictator."

Secretary Linn gave the circumstances under which Mr. Young's petition was handed in, as he remembered them, stating that he had read to a representative of Mr. Young's, Fred R. Cotten, Section 21 of the Australian ballot system, the section recently made the basis of the Council's ruling, and that Mr. Cotten had said that he did not care about that.

Messrs. Del Perkins and E. H. Cavin addressed themselves to the constitutional status of the ruling, Mr. Perkins holding that a liberal construction was permissible and discretionary and making a plea for fair play, while Mr. Cavin urged that Mr. Young had had every opportunity that fairness could demand, and that the question was really whether the students should "stand by the constitution or disregard it."

Mr. Fred Cotten gave his version of the handing in of the petition, stating, substantially, that he made an appointment with the secretary to bring over Young's petition, being informed by Linn that if he brought it in first it would secure for his candidate first place on the ballot; that when he arrived afterward he found the door of the Association closed and the slot therein obstructed by a Union, but the chair overruled him, that verity bulletin nailed over it; that upon gaining entrance into the room he found no one there, and left the petition on the desk, meeting Linn later, whereupon the section of the constitution was then read to him. He stated that being somewhat "sore," he paid no attention to the reading of it. He asked for fair play at the hands of the students in considering the resolution.

Mr. Higgins denied the right of the Association to ask the councilmen to break their oaths of office, declaring that before the personal element entered into the matter the vote in the Council had been unanimous in favor

TENNIS CHAMPS TO ENTER MEET

Alumni Will Return May 18 in Order to Enter Invitation Meet—Some Faculty Members Will Enter.

Three ex-State champions in tennis will enter the invitation meet to be held on the University courts on May 18, 19 and 20. Word has been received that Tom Holland, Semp Russ and Harry Walthall will all enter the tournament. Besides these men many other out-of-town players of repute will be here. Many of the student and faculty players here intend to enter and the tournament promises to bring forth the fastest play yet seen on these courts. With Russ, Holland and Walthall here, and such men as Stacy, Broad, Rix, James, Penick, S. Thomas, Keen and Perkins to enter the tournament, it is certain to be a success. Besides these men, who figure in the regular tournament, there will be many players of less repute to fight for the consolations. Both double and single matches will be played.

The entrance fee for the singles will be \$2 and for the doubles \$3 per team. Many handsome and useful prizes will be given in both the regular tournament and the consolations.

BRALLEY LEAVES ON TOUR.

Mr. F. M. Bralley of the extension department left Austin last Thursday for Collin County, where he, in cooperation with C. B. Austin, E. E. Slanis, G. S. Wehrwein and Miss Francis Tower, is conducting a campaign throughout the county in the interest of educational matters. Mr. Bralley will return to the University early this week.

ASSEMBLY VOTES 50 CENTS TAX.

At its last meeting, May 9, the Students' Assembly amended bill No. 5 by striking out of Article 1, Section 5, the words "twenty-five cents" and substituting therefor the words "fifty cents." This is the student activity fund which every student pay on matriculation, and will net over \$1000.

of the construction placed by them upon the constitution.

Mr. Young was recognized, but yielded the floor to Mr. Lawhon amid cheers. The latter stated that his votes in the Council had been in accord with his oath and his conscience. He declared that he had moved in that body that voters be allowed to insert Mr. Young's name on the ballot, but that on his appeal from the decision of the chair ruling his motion out of order, he was voted down by Mr. Young's own supporters. He stated that if, after the election, he was presented with a petition signed by 500 voters he would resign and run the race with Mr. Young. In reply to a question from Alva Carlton, he stated that his petition had been handed in personally.

Mr. Young then resumed the floor and pointed out that in the Council meeting held Friday night, the vote stood a tie on the question of rescinding the action of a former meeting, and that it was Lawhon's vote created the tie. He asserted that he had been told by Gowan Jones that he was to be fought on any technicality possible. At this point a colloquy occurred between the speaker and Mr. Jones, in which details of the conversation referred to by Mr. Young were given.

Messrs. Richards and Culver followed with speeches opposing and favoring the resolution, respectively.

It was at this point that Darwin's substitute motion asking that a referendum vote on the fraternity question was proposed, and the most exciting part of the meeting was reached. Robert L. Skiles mounted a seat in the front row and opposed the substitute on the ground that it had nothing to do with the original motion, but the chair overruled him, holding that the speaker must confine his remarks to the substitute. This his remarks to the substitute. This he proceeded with his remarks. He ridiculed the substitute as entirely out of place, and upon a motion to table, the substitute was defeated.

As stated, the chair's attention was called to the point that the main motion was tabled by the motion to able the substitute, and the affirmative vote on the motion to adjourn was put. The negative vote was not called for, as the greater part of the assemblage had started out.

MANAGER LANG GIVES BANQUET TO TRACK TEAM

Ralph Mathis Elected Captain for Next Year—Entire Athletic Situation Reviewed by Speakers. Unique Table Design.

Track Manager Sylvan Lang entertained the entire track team and the Athletic Council with a banquet at the Driskill last evening.

Ralph P. Mathis was elected captain of the team for next year. The prevailing spirit of the evening was appreciation for the services of Coach C. C. Taylor, who will not be back next year.

One of the features of the evening's entertainment was the unique arrangement of the banquet board. A miniature track with sand pits, standards, vaulting poles, discuses, hammers and shots indicated the seating of the guests.

Dr. Mather, as toastmaster, elicited the following responses:

"How It Feels to Turn Out Three Winning Track Teams," Mr. Taylor.

"Reminiscences by the Three Seniors on Team," Captain Berry, Niblo and Melaskey.

"The Southwestern Track Conference Meet Next Year," Mr. Bellmont.

"Prospects for Next Year," Mr. Mathis, captain-elect.

"The Ideals of the Athletic Council," Dr. Ramsdell.

Y. W. C. A. LUNCHEON.

Yesterday afternoon at 2 o'clock in the study hall the Y. W. C. A. gave a four-course luncheon in honor of the senior girls. The luncheon, as had been suggested by the invitations, was carried out in Dutch details. The room was darkened and most attractively decorated with vines and all varieties of wild flowers, each table having a huge basket of same, and the walls, chandeliers and windows being banked with the vines. The place cards were in Dutch design and at each place was a crepe paper Dutch cap, which the girls wore during the luncheon. The waitresses, too, were in Dutch costume, enhancing the beauty of the scene.

Throughout the luncheon appropriate and lively songs and yells were given by the various tables and Misses McNew and Lawhon furnished music from behind a screen of vines and wild flowers. Between courses Miss Bowers Barnett, as toastmistress, introduced the following toasts: "Our Caps and Gowns," Lie Lipscomb.

"The Advisory Board," Catherine Hill.

"Y. W. Girls," Miss Casis.

"Our Secretary," Jessie Butts.

"The Seniors," Maude Clarke.

"Our President," Gertrude David.

"Our Phi Betas," Mary Miller.

"The Juniors," Geneva Dean.

"Mother of Ours—Mrs. Kirby," Janet Kaapke.

After the last toast, cards were passed and each girl wrote the future of the girl on her right, the prophesies to be read in ten years at the class reunion.

Miss Millar added much to the occasion both by her very presence and the short talk made at the close of the luncheon.

Too much credit can not be given Miss Mary Lake Henderson and her social committee for the success of the luncheon.

GIRLS' TENNIS TOURNAMENT.

Beginning on Monday afternoon at 4:30, the girls will play tennis singles as follows:

Louise Fenet vs. Vera Coffee.

Dorothy Densmore vs. Lena Pettit.

Alberta Rehm vs. Bernita Minkwitz.

Willie Megee vs. Virginia Spence.

After the round in singles is completed, a series of doubles will take place. The winners of singles and doubles will be awarded "T's."

Miss Bess Hackett of Chilton of the class of '09 is visiting Miss Nettie Landrum.

Miss Mary De Graffenreid and Miss Rowena Landrum of Chilton are visiting Miss Nettie Landrum.

CHAPEL NOTICES

At the regular Monday song service Miss Begg will sing.

LAST GAME WITH OKLAHOMA CALLED BECAUSE OF RAIN

Southwest Championship Goes to Texas—Called in First of Fifth, Score 1 to 1—Disch Given Token by the Team.

Umpire "Vic" Miller yesterday called the last game of the Oklahoma-Texas series in the fifth inning on account of rain and extremely wet grounds. The score at the end of the fourth inning was 1 to 0 in favor of Texas. This was tied in the beginning of the fifth by an error by Edmond and by a misjudged high fly by Cartwright in right field, due to the heavy rain which was blowing toward the fielder and carrying the ball at a rapid rate.

Both pitchers were going in splendid form, Cone getting five strikeouts the first five innings, and the game gave promise of being a mid-season exhibition of the national pastime, every man on each side being on his toes at all times, seeking to find a flaw in the defense of the opposing team.

As to the final substantiation of Texas' claims to the Southwestern championship, Manager Matthews of the Texas team stated that since Arkansas and A. & M. defeated the Sooners and since the only game Oklahoma won from the Chinese was pitched by Ponder, the Dallas league pitcher, now the property of Birmingham, the undisputed championship goes to Texas.

The Texas team showed their appreciation for the services rendered by Coach Disch by presenting him with a handsome suitcase, Dr. Mather making the presentation speech, which was replied to by Mr. Disch in a few words of thanks.

The last baseball game of the season will be played Monday on Clark Field, the faculty playing the seniors. Many old heads will appear in the line-up.

CAMPBELL LECTURES.

Dr. Killis Campbell went to Kingsville Friday, where he delivered a lecture yesterday on "The History and Significance of the Short Story." While there he also made an informal talk to the Woman's Club on "The Novel in the Eighteenth Century," under the auspices of the book study courses of the department of extension. Dr. Campbell was also invited to address the Mothers' Club of Kingsville. From Kingsville he goes to Port Lavaca to deliver a commencement address Monday.

Among those found in the book are Drs. H. W. Harper, E. P. Schoch, T. U. Taylor, M. B. Porter and H. Y. Benedict.

BARACAS DEFEAT BUDA.

The Baracas of the Interfraternity League won their tenth consecutive game at Buda last Friday afternoon. The game was fast from start to finish, but the Baracas maintained the lead they had won at the first until the first half of the eighth, when Buda tied the score, 4 to 4. The Baracas rallied in the ninth, and when the smoke cleared away the score stood 13 to 4 in their favor. Tobola pitched league ball, and at no time showed the least sign of weakening. He got fifteen strike-outs.

WORSE AND WORSE.

It matters little to us who is elected president of the Students' Association—the candidates can fight it out in any way they see proper—but we draw the line at having our intelligence stultified by any such harranguing as the students were forced to listen to in the Auditorium yesterday.

After a two hours' session, the association adjourned without having accomplished a thing. The debate was pitched on a very low, disgraceful plane. The speakers so far forgot themselves as to deal in dirty personalities, and at times it looked like personal encounters would result.

And for such is student self-government. Yesterday's meeting looked like the beginning of the end. A few more meetings of this kind will disrupt the whole of our student government.

If we are in the University for no more serious purpose than this, we had better quit. Only two weeks remain before examinations, and here we are throwing our time away in this manner.

It would occur to us that it is time for the sensible students to take charge of affairs and put an end to all this "tom-foolery."

A GOOD SUBJECT.

Write a letter to the folks at home today and boast to them of yesterday's meeting. It will go good with them to know how we are spending our time—and their money. No doubt this will induce them to make a very handsome donation to the University.

ONLY TWO MORE.

Tell your mother today just how anxious you are to see her again. After this there will be but two more Sunday letters. Don't miss this one.

GETS FELLOWSHIP.

Miss Alice F. Hubbard, instructor in romance languages, this year on leave of absence, has been awarded a fellowship in romance languages at Bryn Mawr College.

YOUNG'S NAME TO APPEAR ON THE OFFICIAL BALLOT

Young Is a Bona Fide Candidate—Students May Insert Young's Name Under Proper Heading. Law Undisputed.

The name of R. Eldon Young will appear on the official ballot. Though the name will not be printed on the official ballot, the supporters of Mr. Young will write his name on the ballot and place before it the number 1 (one). Before Mr. Lawhon's name the voters will place the number 2 (two). No name will be scratched, but the voters will merely insert in their own handwriting the name of R. Eldon Young and will express their choice by placing the number 1 (one) before Young's name, and the number 2 (two) before Lawhon's name. This action is permitted under the Australian ballot system.

This arrangement obviates any difficulty that the supporters of Mr. Young might have in expressing their first choice for him. Following the decision of the Council Thursday night, in which the Council declared that the name of R. Eldon Young would not be printed, numerous friends asked Mr. R. Eldon Young how they might vote for him as first choice on election day, Tuesday, May 19. Authorities were consulted. It was found that the Australian ballot system permits any voter to write the name "R. Eldon Young" on the ballot under the title, "For President of the Students' Association." The voters will express their preference for Mr. Young by placing the number 1 before his name.

The law on this point is undisputed and is as follows:

There is no constitutional objection to a law providing for an official ballot with the names of all candidates regularly nominated printed thereon, so long as the voters have the right and opportunity to vote for whom they please, by writing in the names. A candidate for office is entitled to have his name written upon the official ballot by voters who desire to support him as their choice for office, and it is the constitutional right of voters to vote for any person eligible for office.

THE FIRING LINE

Buzzy-buzzy! Help! Flies!
Bill—Do you eat at that much abused Cafeteria now?
Jim—No; it is almost dead. The flies are crawling all over the thing.
With the University of Texas in the vanguard of civilization, should flies, carrying the very essence of filth and disease, be allowed complete control of the victuals in the University Cafeteria?

Most people can even look at the unclean milk jar and hastily gulp down the spoiled milk; but even the most docile human is tempted to unfurl the banner of revolution and reformation against the tyrannical buzzing rule of King Fly.

Everybody knows the voluptuous delight of the fly for cleaning his dainty feet, recently soiled in the slop and sewage, upon the bite of potatoes approaching one's mouth. And, while we overlook many faults, the revolting, nauseating sensation of having to pick flies out of victuals is disgusting and sickening to many Cafeteria patrons.

What is wrong, anyhow? The Cafeteria is in a deplorable condition. But who is responsible? That is an unanswerable question for most of the Cafeteria patrons. Screens are modern necessities. And yet, the Cafeteria goes unscreened.

A man can usually grit his teeth, shut his eyes and hold his stomach while bolting the nauseous mass of food with flies playing tag on it. With woman it is different. She is more sensitive to the revolting, loathsome pollution of flies. Should not the women who patronize the Caf be protected from such vile contamination?

Help! The flies have got us!

What Experience Counts With You?

IS IT WORKING HARD FOR TWO YEARS ON THE PUBLICATION YOU WOULD EDIT, OR IS IT WORKING ON A FOREIGN PUBLICATION?

DAVE WILLIAMS

HAS WORKED FAITHFULLY, AS HIS ASSOCIATES HAVE TESTIFIED, ON TWO ISSUES OF THE CACTUS. "THOROUGH FAMILIARITY WITH COLLEGE ANNUALS" WOULD SHOW THAT "SERIOUS LITERARY MATTER" IS FOUND IN THE HIGH SCHOOL ANNUAL. WOULD YOU HAVE THE CACTUS DEGENERATE INTO A QUASI-MAGAZINE, OR A LIVE PICTURE OF THE YEAR; HIS OPPONENT PROPOSES TO GIVE YOU "SERIOUS LITERARY MATTER." DOES WORK ON THE ART AND EDITORIAL STAFF DISQUALIFY FOR THE EDITORIAL CHAIR, OR DOES NO CONNECTION WHATEVER? ASK THE PRESENT OR ANY PREVIOUS EDITOR. THE CACTUS IN RECENT YEARS HAS BEEN GOOD BECAUSE EXPERIENCE ON THE CACTUS STAFF HAS COUNTED. EXPERIENCE ON THE MAG WILL NOT HELP IN EDITING THE CACTUS. EXPERIENCE OF THE RIGHT KIND IS ACTUAL EXPERIENCE WITH THE JOB YOU ARE TO PERFORM.

ACTUAL vs. HYPOTHETICAL EXPERIENCE---WHICH!
