

12.5.43 - No.1

Air Ministry No.10232

AIR MINISTRY COMMUNIQUE

This morning an aircraft of Coastal Command destroyed an enemy aircraft off the Dutch Coast.

During the day aircraft of Fighter Command carried out a sweep, and other fighters and aircraft of Army Co-operation Command flew a number of offensive patrols over the Channel and the coast of France. An enemy fighter was destroyed and an enemy ship and several locomotives were damaged.

None of our aircraft is missing.
