Dear Dr. Stenzel:

I believe when we discussed your Carrizo paper to be presented at our Annual Meeting on October 18 we suggested a time not to exceed thirty minutes. We find we are having a full day's program and therefore shall have to restrict our speakers to the allotted time.

We respectfully request your co-operation in this matter so that we shall be able to finish our program by a reasonable hour in the afternoon.

Yours very truly,

Chas. H. Row
