

October 18, 1950

Dr. A. B. Williams
Department of Zoology
University of Kansas
Lawrence, Kansas

Dear Dr. Williams:

Thank you for your kind letter of October 4 and the package of fossil crustaceans, which arrived safely. The material is very nice. I am glad to have the opportunity to study the material and shall handle it according to your directions. As soon as I have some identifications of the specimens I shall write you again.

With many thanks,

Sincerely yours,

H. B. Stensel, Geologist
