Dear Mr. Stenzel:

This is to ask that you send in the abstract for your paper as soon as possible in order that it may be included in our printed program for the S.E.P.M. meeting in Fort Worth on April 7.

The title of your paper as we now have it is

Aid of stratigraphy to the discovery of  
petroleum.

It will save time if you can send a copy of the abstract direct to J. P. D. Hull, Box 979, Tulsa, Oklahoma.

Sincerest regards,
