by

American Studies

AMS :: ATX is a blog dedicated to representing the many activities and interests of the department of American Studies at The University of Texas at Austin. Together with the department's Twitter feed, this blog exists to serve the AMS and Austin communities by acting as a hub for up-to-date information on events and opportunities at UT and beyond.

Tomorrow from 7 to 8 P.M. in the Harry Ransom Center, photographer Mark Klett and curator Jessica S. McDonald will discuss Klett's work photographing American landscapes since the 1970s.

"Since participating in the renowned "Rephotographic Survey Project" (1977–1979), Klett has investigated time, perception, and the history of photography in projects such as "Revealing Territory" (1982–2004), "Reconstructing the View" (2007–2010), and "Camino del Diablo" (2013–2015). Co-sponsored by the Department of American Studies."
