

Dear Tom —
your letter of 5 Feb and card of 10 Feb
came 17 Feb. 16th was a unipale aporgia.

I will indeed try to speak strongly about
the Scribes and the photos, and cross my fingers
in hope of effectiveness.

Tomorrow — despite the Museum's business with
still another British School exhibit JPD JTK I
& M. Bozakovska have an appointment to look at
tablets at 9.30. I don't really know what I want
to look at, hope MB has her list, JTK said
he has a couple of things to check.

No call came from LG on Friday that I know
of. I might have had a bit of a cough for two
days, but I barely remember it — on the other hand
I don't remember at all where I was that Friday — no
record in calendar either.

Sunday 15th went to Opera. The 14th was
the PREMIER!! of Kurosagi ~~the~~ Kurosagi. The
15th the second performance. The author/composer
appeared at the last curtain — So, now, I
have from the 12th row of seats seen Mikis
Theodorakis! Nice stuff. Not quite the
ordinary opera, as he himself described it. ~~the~~
Still it was very well worth the price —
and now, to dazzle your eyes PTO

17 Feb 1987
