EIGHTEEN MEN IN CHRISTIANS' FOOTBALL SQUAD

Team Arrives Today With Five Old Men Back—Milton Daniel Assistant Coach—All in Best Condition.

LONGHORNS IN FINE FORM

Both Berry and Turner Will Begin Game Tomorrow—Backfield Is Developing Rapidly—Line Is Almost Perfect.

Special to The Texan.

T. C. U., Sept. 30.—Coach Ewing F. Freeland and Assistant Coach Milton Daniel will leave Fort Worth Friday morning with eighteen T. C. U. men for the first football game of the season to be played in Austin Saturday against the University of Texas. The men are in good condition and are anxious for the initial game.

T. C. U. will be represented by five old men and the remainder will be high and prep school players, without previous training in college football.

When Referee Rix calls the game at 4 o'clock on Clark Field Saturday afternoon, Texas opens the football season with T. C. U. The Longhorns are in as good trim now as they were this time last year, and they are confident of an easy victory, even though there has been no regular training camp this season, as there has been all previous seasons.

Texas fans will be delighted to hear that both Berry and Turner will be in the game Saturday and not on the crippled list. The Longhorn team is fast rounding into a perfect machine. The backfield is not running perfectly smooth yet, but is fast falling into its old pace. Bob Simmons is proving himself to be a brilliant quarter, as well as a fast ground-gainer. And with Paul Simmons and Littlefield as halves and Walker and Kelso to alternate at full, Texas is bound to have a backfield unsurpassed in her history. The line is in fine shape, despite the loss of Jordan. Johnson, Simpson, Montgomery and Carlton are all going at a great pace for Jordan's old position, any one of which will well fill the place.

T. C. U. is reported to have a fast bunch, and although Fort Worth High held them 7 to 0 the other day, Texas rooters need not look for such a walk-over as this score would seem to indicate. The Christians have a fast backfield and a heavy line, and in addition to a strong team, they have their old-time never-give-up fighting spirit.

The Texas line-up will probably be: Edmond and Turner, ends; Birge and Berry, tackles; Carlton and Montgomery, right guard; Johnson and Simpson, left guard; Dittmar, center; Bob Simmons, quarter; Littlefield and Paul Simmons, halves; Walker and Kelso will alternate at full.

COFER SOCIETY MEETS.

The Cofer Law Society, in its initial meeting of the year last night, elected new officers and admitted two members. Senator Cofer made an address of welcome and congratulated the society on the knowledge which had been gained through the trial of cases and the practice of court procedure.

The officers elected were: John G. Blalock, president; Tom Cheatham, vice president; Brian Montague, secretary; and G. L. Robinson, treasurer. The new members were: A. E. Zellers. Considering a number of applications for admission, the society will meet next Thursday evening.

NEW GERMAN CLUB OFFICERS ELECTED

First German Under New Administration to Be Held Tonight. Directors Appointed.

The first German under the newly elected officers of the German Club will be held tonight at K. C. Hall. The officers for the year are: President, Lawrence Tarlton; vice president, Joe Hill; secretary and treasurer, Sellers Thomas.

The administration is very enthusiastic over the prospects for the Germans during the coming year. They are making big plans, and expect to give some unusually good dances this fall.

The directors thus far elected are as follows: Verline Vandenburg, William Hutchins, Hayden Hudson, Boone Anderson, Walter English, William Lipscomb, David Gracy, Leonard Jones and Walter Evans.

GALVESTON CLUB IS FORMED.

A number of students from Galveston met Wednesday and formed a club to be known as the Galveston Club. This club was organized to bring into closer relations with each other the students from Galveston. Adrian Levy acted as temporary chairman. A committee was appointed to draw up a constitution and to further perfect the organization. Twenty-eight were presented for membership. Another meeting will be called at an early date.

CHANGE PLANNED IN PAY SYSTEM

Two Windows Are to Be Maintained to Relieve the Long Waits on Monthly Payday.

A radical change in the system of paying off the Faculty and staff of the University is being contemplated by the Auditor's office. Instead of having only one window, it is planned to have two in order to facilitate payment. Heretofore quite a great deal of impatience resulted from the long wait in line on pay day. In order to relieve the situation, Acting Auditor Cornwell is directing his efforts to bring about the proposed change. This will require the services of an additional clerk in order to handle this system of payment in the proper manner.

It is proposed that one window will be used for the paying off of all employees from professor to instructor, while the other will be used to pay off student assistants, tutors and other employees of the University. This change will not be effected until Nov. 1, 1915.

ELECTION TO BE HELD SOON.

New members will be chosen for the Students' Council and Assembly at an election held the early part of this month. This will be the first chance the new students get to enter politics, and the fight promises to be a hot one.

Four men will remain in office from last year, leaving vacancies of Councilmen and Assemblymen to be filled by freshman, sophomore and junior Academics, junior and middle Laws, and freshman, sophomore, junior and senior Engineers.

Candidates for these positions have to present a petition two weeks in advance. The definite date of the election has not been yet announced, but will be decided at the first meeting of the Students' Association.

A. & M. will go into the field for its first game against Austin College. The Farmers have been hampered by hot weather and are not in first-class condition.

FIRST FOOTBALL RALLY WILL BE STAGED TONIGHT

Splendid Program to Feature Initial "Pep" Meeting—Dean Benedict, L. Theo Belmont and Billie Disch to Make Speeches.

The first football rally of the 1915 football season will be held in the Auditorium of the Main Building tonight. The meeting is scheduled to commence at 7:30, and everyone is advised to be there on time. This promises to be an enthusiastic rally on account of the excellent spirit which the large body of freshmen will put into the meeting.

Manager Joe Glenn of the football team has arranged an appropriate program. The speakers chosen to arouse Texas enthusiasm are H. Y. Benedict, L. Theo Belmont and Billie Disch, each of whom is capable of bringing the crowd to its feet. In addition to the rousing remarks of the speakers, the program will include an hour-long round of yells and songs. The intermissions will be taken up with stirring Varsity music played by the big University Band.

Tonight's rally will provide the spirit, the enthusiasm and the encouragement which will decide the outcome of tomorrow's game with T. C. U. All indications point to a victory for Texas in this, the season's first game. Nevertheless, the encouragement is indispensable, and for that reason the rooters will be organized tonight. Hubert Jones, cheer leader, urges everyone to be on hand. Speaking of the rally, he said:

"I am particularly anxious to have all the freshmen out tonight, for we are going to introduce a few innovations and new effects in yells. I want the new men to jump into the meeting with a whole Texas spirit and raise the roof off the hall. We are going to put a punch in the yells and a swing into the songs and music. Everything will be hot and peppery."

Director Meyers of the University Band has prepared a special musical program which includes all of the old Texas favorites and a number of new selections. This will be the first public appearance of the Band this season.

The Engineers and the Laws will occupy their customary seats in the center and right sections, respectively. This custom has become traditional with athletic rallies and a high rivalry of enthusiasm always results. The co-eds are welcome and occupy reserved seats in the balcony. Copies of the college songs and yells have been printed on hand-bills and will be distributed to freshmen tonight.

DAVID ALLERDICE.

Longhorn Coach Who Expects to Pilot Second Undefeated Team.

Mr. Milton G. Blalock a State Legislator and a former law student of the University, is in Austin for a few days visiting friends. He will be here a few days on business before returning to his home in Marshall.

BRIGHT YEAR FOR LITERARY CLUBS

All Men's Literary Societies Report Large Attendance at First Meeting of Year.

That the literary societies are going to have an unusually bright year is the prediction of the leaders in all four of the clubs. Not in many years has the opening sessions of the societies been so filled with an eagerness to do things. Old men who have taken little interest in their societies for several years were present. Many new men are expected to enroll themselves for this kind of work.

The Speakers' Club had an unusually large attendance at their regular meeting Tuesday night. Dr. Shurter gave a stirring address on "Public Speaking at the University of Texas." In addition to this, the big men of the club, Francis, Howard, Meyers, Callaway, Crossman and others made speeches. The Speakers' Club expects a rushing year.

The Athenaeum, although dwindled down by the church receptions Tuesday, is as strong as ever. It expects to add to its ranks many new men.

The Rusk has a big frame now on its walls including photos of its big men to inspire their numerous freshmen prospects on to new victories.

Hogg orators, old and new, are out in numbers. The Hogg expects a very successful year.

PROMINENT CO-ED WEDS LEGISLATOR

Senator H. L. Darwin and Miss Georgia Streeter Were Married at Waco Last Tuesday.

A social event of interest to Austin people, and especially to University students, is the marriage of Miss Georgia Streeter to H. L. Darwin of Cooper in St. Paul's Episcopal Church at Waco last Tuesday evening. Rev. W. P. Witsell officiating. State Senator Clyde Robbins of Athens was the best man, while the groomsmen were State Senators Robert Astin of Bryan, James Harley of Seguin, Representative N. B. Williams and Frank B. Toney of Waco. Miss Viola Darwin of Cooper, sister of the groom, was maid of honor, while Mrs. T. B. Dockery of Waco, a sister of the bride, was the matron of honor. The bridesmaids were Misses Elizabeth Bolinger and Lillian Evans of Waco, Miss Corinne Lochridge of Austin and Miss Mary Williams of Gatesville.

As both Senator and Mrs. Darwin are former students of the University of Texas, the colors of the University, orange and white, were used in the church decorations, and in the gowns and bouquets carried by the bridesmaids.

Senator Darwin is a lawyer and has been prominent in advocating a loan fund for students of the University of Texas. He obtained his LL. D. degree at the State University, and also attended Harvard. Mrs. Darwin is a graduate of the Waco High School, her studies being completed at the State University and in Philadelphia.

CO-EDS' EXHIBIT AT HOUSTON.

The University is to have a part in the Women's Fair at Houston this month. Our part of the exhibition will consist chiefly of pictures of co-ed life in the University. The alumnae are to have a section also, where pictures of the distinguished former students will be hung. Miss Ruth Horn, a former student, is chairman of the general committee in charge of the fair.

ELECTION FRAUD PERPETRATED ON TEXAS PEOPLE

One of the Greatest Disgraces in the History of the State Was Unearthed Yesterday. Many People Indicted.

MANY OFFICIALS IN MELEE

In Election for Justice of the Peace of Precinct No. 3 of Travis County, Pat Holmes Was Elected by Fraud.

The biggest election fraud that was ever perpetrated on the dignity of the people of the State of Texas, and one of the greatest election outrages that the South has ever seen took place yesterday at the regular meeting of the Senior Practice Court. The trouble came up over the election of the Honorable Justice of the Peace for Precinct No. 1 for Travis County, Texas. There are twenty-eight males in this precinct eligible to vote, and during the election, on every ballot, the twenty-eight eligible voters cast a total of thirty-one votes.

The election, as stated in yesterday's paper, lay between Messrs. Reeves, Montague, Drury and Hancock, with the popular B. Hall manager having a shade the better of the other candidates. Some fifteen ballots were cast, and strange to say, on the fifteenth ballot Mr. Holmes was declared elected to the stately office of Justice of the Peace.

But it went hard with the valiant electors of that precinct when it was discovered that there were two Mr. Holmes residing in the vicinity. Which Mr. Holmes was meant? was the question that confronted the taxpayers. A vote was then taken to see whom the ballot had really been cast for, and some fifteen of these honest men voted for Mr. Pat Holmes and some fourteen voted for George Holmes, Esq., making a total of twenty-nine votes out of a possible twenty-eight. Mr. Pat Holmes was then solemnly declared to be Justice of the Peace, B. A., etc., of Precinct No. 1 of Travis County.

Then the cohorts of Mr. George Holmes, B. A., and candidate for J. P., rose up in rebellion and declared the fraud that had been perpetrated on the dignity of the sovereignty of the State void and illegal and directly instituted suit against each and every member that had voted against their candidate, and upon the Hon. R. E. Cofer, County and District Judge of Travis County, and upon Mr. Few Brewster, County and District Clerk, and upon the Sheriff and several Constables of this county. Each side has employed the best counsel obtainable in the State, and the trial promises to be warmer and more effective than the recent Nueces County affair, and stringent measures will be taken to wipe out such occurrences within the domains of this vast territory.

BAPTIST CHURCH ENTERTAINS.

Keeping in line with the regular custom, the First Baptist Church will give its annual reception to University students and new Austin Baptists tonight from 8 to 10:30 at the new First Baptist Church building, corner of Tenth and Colorado Streets (across from the Governor's Mansion). Their new church building is not yet completed, but the Sunday school rooms are in readiness, and these will be thrown open for the occasion. Quite an attractive program has been arranged and a large attendance is expected. Those who wish to attend the football rally before going to the reception will have ample time to do so.

Tonight, freshmen, you will take part in your first football rally, one of the most enthusiastic and memorable events of a student's first year at school. Remember, then, that the spirit you put into the yells and songs, and the attitude you assume toward the next day's game and the visitors will determine to a great extent the spirit and attitude representative of the University at the game. Find out what "Texas Spirit" is, and be sure that you individually do your part to perpetuate it. Help the team to win, but remember that true sportsmen play for the love of the game more than for the love of winning. Be very considerate of the visiting players and the visiting students. "Texas spirit" is valuable, it is established, and it is your duty to keep it inviolate.

There has been noticeable this year a decided improvement in decorum in classes in the Law Department. The keynote of restraint and refined classroom conduct seems to have been struck by Judge Townes, and the response upon the part of the students was apparently instantaneous. Usually it is the junior laws who are boisterous. There are always enough stragglers from the same class of the preceding year to aid the naturally boisterous new men in inaugurating anew the custom of yelling and noise-making. The junior laws thus far have not evidenced their somewhat characteristic forgetfulness. Decorum in the law classes should be superior to that in any other classes, since the members are more mature, and therefore more responsible. This year's junior class has begun aright, and will undoubtedly be instrumental in determining for the Law Department a new kind of classroom conduct of which the whole department may be justly proud.

The girls of the University have started and are having apparently good success with a very commendable custom—the wearing of class buttons by freshman girls. If continued, this custom will aid greatly in unifying the girls of the freshman class, in developing class spirit—much needed in this University—and in making possible more general acquaintanceship among the girls.

Mr. Frank Loftus, a former Law student in the University, leaves today for El Paso, where he will enter a law firm.

SOCIETY

Delta Chi announces the initiation of Ray Williams of Childress and Elmer Luter of San Antonio.

The Phi Delta Thetas gave a dance last night for their pledges and initiates.

Miss Mary Bryan of Houston, who has been visiting Miss Laura Johns, has returned home.

Miss Imola Link of Houston, who has been visiting at the Pi Phi House, returned to her home last night.

Miss Mattie Clark of Kansas City, Mo., has pledged Delta Delta.

All sororities and girls' boarding houses will observe open house tomorrow night.

Miss Louise Crow has left for a short visit to her father's ranch near Dripping Springs.

Miss Wright has agreed to give the teachers' training course that she gives in the summer. This is just the beginning of a well established teachers' course.

During the past summer Miss Cosby has done graduate work under Chalif, America's leading dancing teacher, and has many new ideas for this year's work.

The Delta Tau Delta Fraternity announces the pledging of Bailey Post of Haskell.

The Delta Sigma Phi Fraternity announces the pledging of the following men: Sam Ragland of Orange Grove, S. E. McNeil of Casa Blanca, Otto Taulman of Hubbard City, Quait Dodson of Hubbard City and Whitlow Perkins of Schulenburg.

CALDWELL COUNTY CLUB MEETS

The Caldwell County University Club held its initial meeting of this year Wednesday evening at Grace Hall. Fourteen members were present, and they made the reunion interesting by doing business with a rush and making the new members feel that they had joined an enterprising

organization in this progressive University. Regular monthly meetings were provided for and a laudable club spirit manifested itself, the kind that makes freshmen feel at home and brings new students under the care of their literary Alma Mater. The earnest and persistent efforts of this club have secured the annual attendance at the University of Texas of twenty or more students for the past two years, yet Caldwell County is one of the smallest counties in the State.

YELL LEADERS ELECTED.

Special to The Texan.

T. C. U., Sept. 30.—Charles Christenberry of Fort Worth, Homer Tomlinson of Hillsboro and Miss Minnie Proctor of Corsicana have been elected as yell leaders at T. C. U.

"Pep" meetings are being held for a few minutes every evening on the main building steps.

STUDENTS IN STYLE SHOW.

Special to The Texan.

T. C. U., Sept. 30.—T. C. U. students, boys and girls and members of the faculty, are making preparation to take part in the Fort Worth Style Show. Oct. 6 has been set aside as T. C. U. night. Miss Powell, head of the oratory department; Mrs. Helen Fouts Cahoon, head of the voice department, and Frederick M. Cahoon, head of the fine arts department, will appear on the program.

CHAPEL NOTICES

Dean Taylor was the speaker at Chapel yesterday; his theme was "Obedience to God, the Whole Duty of Man." He developed the theme around the children of Israel, especially making use of the law of the Ten Commandments given to Moses. He stressed the point that there must be no equivocation about the completeness of the obedience and especial attention was called to the fourth commandment as the keystone of the arch, "Remember the Sabbath day to keep it holy."

Chapel attendants will today sit as a committee of the whole on the state of affairs in general. Everybody is invited.

SOUTHWESTERN OPENS.

Special to The Texan.

Georgetown, Texas, Sept. 30.—Southwestern University opened this morning with a large attendance. The prospects for an unusually good season are bright.

According to the management of the dormitories, the demand for rooms has been greater this year than ever before.

Among the faculty this year will appear two new faces, Dr. Charles M. Wunder, professor of mathematics, succeeding Dr. C. C. Cody, and Prof. W. P. Davidson, chairman of the School of Philosophy.

GRANDSTAND DEDICATED.

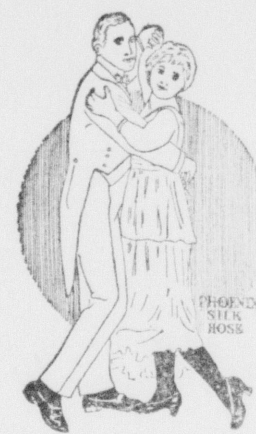

Special to The Texan.

Baylor, Texas, Sept. 30.—The new concrete grandstand and athletic building was dedicated Monday evening at 8 o'clock. President Lovelace of the Alumni Association was in charge, and several other prominent members made short talks. The building is a gift of the alumni, and will be a great aid to the Athletic Association, because it contains spacious offices for the coaches and student officers.

LAST SCRIMMAGE YESTERDAY.

Yesterday's scrimmage, which will likely be the last before the T. C. U. game, was fast and snappy, and showed that the Varsity eleven is in shape to play real football. It was witnessed by about 450 students.

Bob Simmons occupied the position at quarter, while Edmond again demonstrated his ability to go down and receive forward passes.

Time Exposures vs. Snap Shots in Hosiery

SEASON TICKETS BEING SOLD.

Public Speaking Students Buy Tick-
ets to Oratorical
Contests.

Rapid progress is being made in the
sale of season tickets to the orator-
ical contests. C. B. Callaway an-
nounces that seventy-five tickets have
already been sold. All students
taking courses in Public Speaking are
required to purchase these, and the
funds thus secured are used in financ-
ing the contests of the Oratorical As-
sociation.

Attention is called to an error
made in printing the tickets. In ad-
dition to the seven events named on
them, the bearers will be admitted to
the State Oratorical Contests for
prizes offered by the Texas Intercol-

LIBRARIAN ISSUES

LIST OF RULES

Directions Given as to Finding and
Using Books—Some New
Restrictions.

The Library has about 110,000 vol-
umes and 30,000 pamphlets. Some
of these books, primarily works of
reference, may be used in the Library
only; the great majority, however,
may be drawn from the Library for
home use.

All books are indexed in the general
card catalogue. The catalogue is lo-
cated at your right as you reach the
head of the stairway. To some a cat-
alogue of such large size appears
complicated. But it is systematic in
its arrangement, and with careful at-
tention to a few main principles its
use becomes simple. Every student
should learn to use the catalogue.
The assistants in the Library will
take pleasure in helping you over any
difficulties that may arise in its use.

The loan desk is in two sections,
one facing the reading room and the
other facing the card catalogue at the
head of the stairway. Books desired
for home use should be called for at
the desk at the head of the stairs.
Use manilla call slips, and be sure
to return books drawn for home use
to this desk. The date when a book
is due to be returned is stamped on
the pocket on the fly leaf next to the
front cover of the book.

Reserved books should be called for
at the loan desk in the reading room.
Use the white call slips only. Books
drawn on a white call slip are not to
be taken from the reading room.

When through using a reserved
book, return it to the loan desk in
the reading room at once. Do not
pass it on to your neighbor, as you
are personally responsible to the Li-
brary for its prompt return.

The reference librarian is in this
room, and he may be freely consulted
in regard to the use of the catalogue,
the reference books and periodical in-
dexes, questions that need special in-
vestigation.

The Library receives about 875 se-
rials. The current numbers of those
of general interest are kept on shelves
in the periodical room, which adjoins
the main reading room. The peri-
odicals are arranged in groups. For
example, those relating to history,
science, etc., and in each group they
are arranged alphabetically. As soon
as a volume of a periodical is com-
plete, it is dispatched to the bindery
and when returned is placed in the
reading room or in the stack.

Each Monday morning a collection
of recent additions of books of gen-
eral interest are placed in a case in
the reading room. Some very attrac-
tive books have been placed there, and
may be borrowed for home use by
having them charged at the loan desk,
Section A.

The Library does not supply the
books students are expected to pur-
chase for class use.

FROSH RECEPTION PLEASES.

Three Hundred Freshmen Are Present
at Annual Reception.

The fourth annual reception to
freshmen, held yesterday evening, was
a striking success. The new men
were very enthusiastic over the effi-
cient service of the co-eds in pro-
ducing a delicious luncheon.

Several upper classmen and mem-
bers of the Faculty made good
speeches of advice to the young men
present. No speaker failed to stress
the idea of getting in line in a re-
ligious way as well as otherwise.

Judge Townes, in his sincere way,
made a very impressive talk, advis-
ing the young man to "plan a life and
stick to it. Anybody can make plans,
but not all can stick to them."

According to Acting Auditor Corn-
well, 2187 students have registered
for the fall term's work. At the same
period last year a total enrollment of
2061 was reported, thus showing an
increase this year of 126.

**W. M. CLEAVES NOW ON
LEAVE OF ABSENCE IN
COLUMBIA UNIVERSITY**

Former Adjunct Professor Studying
 Law in East—Was Instructor
 and Librarian Here for
 Several Years.

A telegram from W. M. Cleaves, former adjunct professor in the Law Department, states that he is now attending the law school of Columbia University, and that he is highly pleased with his work there. Mr. Cleaves is on a year's leave of absence, and will return next season to resume his work in the faculty of the Law Department of the University of Texas.

It will be remembered that Mr. Cleaves is an alumnus of Texas, having received his LL. B. degree in 1909 and his B. A. degree in 1915. He has been Secretary of the Law Department and Law Librarian since 1909, and in 1913 he became instructor and in 1914 he was elevated to the position of adjunct professor in the Law Department.

During his absence his place is being ably filled by two former graduates of our Law school. Mr. Green has taken his place on the teaching staff and Mr. Bruce the position of secretary and librarian.

GENDERS MIXED BY DIRECTOR.

Mr. Henderson, physical training director, is having a great deal of trouble with his gym classes. Through some mistake in registering, several girls have signed up for the men's section. Naturally, these did not report, making it necessary for Mr. Henderson to visit the Registrar almost every day to ascertain whether "Miss" or "Mr." should be prefixed to the first names of the absentees.

TRINITY READY FOR RICE.

Special to The Texan.

Waxahachie, Texas, Sept. 30.—More than thirty-five men have been in practice daily at Trinity University. Fifteen of these are old men, making a strong nucleus around which Coach Boles expects to build his stellar 1915 eleven. The main drawback is that the line is very light. The backfield is in fine shape. Trinity plays Rice Institute at Houston Saturday.

MEDICAL SCHOOL OPENS.

Galveston, Texas, Sept. 29.—The State Medical School opened here for registration this morning with prospects of a very large attendance. Although a large number of former students have already returned, many new students are on hand to begin work Oct. 1.

Storm damages at the college have been repaired. All is in readiness for beginning the 1915-16 school year.

This year the dining hall in University Hall, the dormitory for women students, will be used as a dining hall for both sexes and will be operated by the Co-Operative Students' Dining Club.
