

INTERSCHOLASTIC MEET TOMORROW AFTERNOON

EVENT PROMISES TO BE THE MOST SUCCESSFUL EVER HELD IN AUSTIN.

VISITORS TO BE ENTERTAINED

Tomorrow afternoon at 2:30 representatives from several high schools and preparatory schools will participate in the second annual state scholastic track meet.

The first inter-scholastic meet was held on April 29, 1905, under the direction of Homer Curtis, then director of athletics at the University. At that meet the following schools were represented: Allen Academy of Bryan, and high schools from Itasca, Austin, Fort Worth, Corsicana, Denison, Galveston, Dallas, Belton, Brownwood and Taylor. Although on the day set for the meet a deluge of rain flooded the athletic field, still the meet was entirely successful. The races were run on the Speedway, and the jumping was done inside the gymnasium. Despite the condition of the weather, and the ground upon which the meet had to be held, fairly good records for high school men were made. Some of the records made are as follows: 100 yard dash, 10 2-5 seconds; 220 yard dash, 24 seconds; 440 yard dash, 56 2-5 seconds; 120 hurdles, 17 seconds; standing broad jump, 10 feet; standing high jump, 4 feet 4 3-4 inches; running high jump, 4 feet 11 1-2 inches; pole vault, 8 feet. The first three places in the meet went to Allen Academy with 52 points, first; Itasca High School with 23 points, second; Austin High School with 10 points, third.

The meet tomorrow, however, promises to be one of the most interesting track meets ever held on Clark Field. Fair weather is predicted, and the track has been put in excellent condition. Large crowds of rooters will accompany most of the competing teams, and University. (Continued on page 3.)

UNIVERSITY BASEBALL TEAM.

UNIVERSITY PLAYERS TAKE DECIDED BRACE

TEXAS TEAM WINS LAST TWO GAMES OF SERIES FROM VISITING JAYHAWKERS.

FIRST A. & M. GAME FRIDAY

Texas took a brace with the return of the sunshine Friday afternoon, and defeated Arkansas rather easily in the last two games of the series. Groesbeck twirled in Friday's game and let the visitors down with three hits, and would have easily scored a shut out with perfect support.

Texas took the lead in the second on Brownlee's line drive over the fence, and increased it in the third when Stacy opened the inning with a hit, and scored on Wilson's error. Arkansas took one in the fourth on Wathen's wild throw and Sample's hit, and another in the fifth on a base on balls and a weird stunt of Robertson's, who threw to third to catch a runner who was trying to steal home.

Texas regained the lead in the same inning. Stacy and Groesbeck hit safely. Stacy was caught at the plate trying to score on Groesbeck's hit, but (Continued on page 2.)

POSTPONE GERMAN PLAY

UNABLE TO SECURE AUDITORIUM FOR PROPER REHEARSALS. DATE SET FOR MAY 8.

On account of the music festival and the inability to secure the auditorium for proper rehearsals, the German play "Flachsmann as Educator," which was to be presented Friday, May 1, had to be postponed to Friday, May 8.

This will give the amateur actors an extra week for practice, and will enable them to put polish and the finishing touches to their parts. Different parts of the comedy have been revised by members of the "Germania" and this will add greatly to its interest and effectiveness. The play is didactic in its nature, showing the transition in the methods of school encouragement in Germany, but there is plenty of wit, humor and action displayed throughout to keep interest aroused from start to finish. The staid air and the machine-like work of the professors is set off by the charming Gisa. This role is in the hands of one of the best actresses in the University.

Another attractive feature of the evening will be some selected songs by the Austin "Saengerrunde." Any one who has heard and loves German songs should not miss that treat.

The date at New Braunfels has also been changed, so the play will be presented there on May 9.

SOPHOMORE CLASS MEETS.

The Sophomore Academics met in room 44 Thursday afternoon, with President Stieler presiding. Mr. Whisenant, the retiring treasurer, reported \$5 in the treasury, and a class debt of \$18 that is long past due. A motion was carried that the president appoint a committee to help Treasurer H. M. Harris collect the aforesaid amount as soon as possible. The following were appointed: Miss Lorena Middlebrook, Miss Jane Woodruff, Bob Sweeney, Chester Lyday, and H. M. Harris, chairman.

All members of the Sophomore class who have not contributed are urged to do so at once.

PHI BETA KAPPA SOCIETY ELECTS MEMBERS.

The Phi Beta Kappa Society met Monday afternoon at 4 o'clock for the purpose of electing new members from this year's Senior class. The following are those elected by the society: E. C. Buckley, Corinne Cartledge, R. W. Fowler, M. E. Hewlett, E. Hofsteiter, W. O. Kinsolving, Annie Sowell, Ruby R. Terrill, Thos. J. Williams.

CONCERT IN AFTERNOON

MUSICAL FESTIVAL TO OPEN THIS AFTERNOON IN THE UNIVERSITY AUDITORIUM.

The big musical event of the season is scheduled to take place on Wednesday and Thursday of this week at the Auditorium, and from all reports, we are to receive the musical treat of the

season. The Chicago Symphony Orchestra, together with their soloists of considerable fame, have had much favorable comment wherever they have appeared.

The University Choral Club, under direction of Prof. Metzenthin, will sing two numbers on Wednesday afternoon. The chorus of one hundred and fifty voices will sing at the other two concerts. A splendid program of orchestral music and solos by the eminent soloists that accompany the orchestra, will be given at every performance.

MEMBERS HEAR WELL RENDERED PROGRAMS

SPEAKING IN BOTH LITERARY SOCIETIES PROVES OF UNUSUAL INTEREST—SPEAKERS ARE WELL PREPARED.

RUSK.

The regular meeting of the Rusk Saturday night was one of the most interesting that has been held in the Rusk hall this year. The program was well prepared, and was delivered in a tone that showed that the boys had put their spirits as well as their efforts into the work. The parliamentary drill, which was conducted by L. W. Parrish, was well carried out, and the fact was demonstrated that several of the Rusk members are familiar with Robert's Rules of Order. The decision of the debate was given to the affirmative. Killough was judged the best speaker of the evening.

The attendance was comparatively small; however, a number of visitors added to the size and pleasure of the audience. T. A. Keith, an ex-member of the Rusk, made a talk which was full of life and interest. But the interest of the evening culminated when the question arose as to when and where (Continued on Page 3.)

THE BARBECUE.

Loyalty to every student enterprise should be the watchword of University of Texas students, and it should be their custom to live up to their watchword just as far as possible.

Every student should feel obligated to support the team by attending the games. It is certain that a large number will attend the barbecue. The barbecue comes on Friday, May 1, which is the first day of the A. & M. series. In order that there might be no conflict, the game will be called at 3:30 instead of 4 o'clock. This gives all the privilege of going to both, so far as time is concerned.

Those who can not go to the ball game, but can attend the barbecue will meet at the Woman's Building at 5 o'clock sharp. Those attending the game can go directly from there to the east woods. Bring your tin cup and a good appetite if you come to the barbecue.

THE A. & M. GAMES.

A. & M. will play here Friday and Saturday and T. C. U. Monday and Tuesday of the following week. These are the strongest teams we will be called upon to play this season, and the attendance will doubtless be proportionately large. Heretofore our superiority in the twirling department has been sufficient to practically assure us a majority of every series scheduled, but against A. & M. with Harlin, Coach Spencer's boy wonder, and T. C. U. with Randall, Tyson and Droeke, we will have little advantage in this respect, and we will have to win the championship of Texas over these clubs by superior all around work. The team is going good just now, but it needs support to make victory certain.

THE SOUTHWESTERN MEET.

The Southwestern Association meet is now but little more than a week off. The competing schools are training every day, and each school expects to break several former association records. Oklahoma Agricultural and Mechanical College will have a team of thirteen men here. Some of the best athletes in the southwest are reported to be among the number. Oklahoma University will have a full team here. This school boasts of a man whom they believe can carry everything before him in the pole vault. Texas A. & M. will also have a full team here, and teams will represent Southwestern, Baylor and T. C. U.

The preliminaries will be held on Friday, May 8, and the finale will be held Saturday, May 9.

Wu Ling Fang, the famous Chinese diplomat and ambassador from that country to the United States, has consented to deliver the commencement address at Illinois University next June.

UNIVERSITY PLAYERS TAKE DECIDED BRACE.

(Continued from page 1.)

Graham, who ran for Groesbeck, brought in his run by some excellent sprinting after a wild throw to catch him at second. A two-bagger by Adamson and a single by Brownlee was wasted in the sixth, but Texas took another in the eighth, Graham bringing home the run after Henderson's error had given Groesbeck a life. The captain did not have to exert himself so hard to score this second run for Groesbeck, as Walker and Hughes both hit.

Arkansas tied up the score in the ninth. With one man gone, Milford, who had three successive strikeouts to his credit, found Groesbeck for a hit. Sample lifted a miserable little fly back of first, which Robertson failed to get after calling it away from Stacy or Walker, and Miller uncorked a clean rap for two bases, scoring Milford and Sample.

Arkansas, not to be outdone in generosity by the Longhorns, handed the game over in the ninth. Henderson's second error gave Robertson vitality at first, and Weathered sent him to third with a long single to center. Graham went to bat instead of Stacy and everybody sat back to await the expected hit, but before Cook had delivered his first ball Weathered caught the Arkansas infield asleep and started for second. Cook aroused himself from his somnolent condition just in time to throw the ball to centerfield and Robertson scampered home with the winning score.

An amusing episode happened in the eighth. With two men on bases Wathen bunted and the ball rolled to the edge of the chalk line midway from home to first. The visitors had played the bunt for a foul, and when the umpire called it fair Walker had crossed the plate and Wathen was encoined on first. The Arkansas still refused to field the ball, so Hughes, and finally Wathen, also crossed the home plate. It looked as though Wathen would have to be credited with a home run on a baby bunt, when Capt. Graham gracefully conceded the point and sent his runners back. Wathen smashed out the next one hard, but it went straight at Wilson, who converted it into a double play.

The score:

Arkansas.

Stolen Bases: Stacy, Hughes.
Bases on Balls: Henderson, 2.
Struck Out: By Groesbeck, 10; by Cook, 3.
Double Plays: Wilson and Miller.
Passed Ball: Brownlee.

SATURDAY'S GAME.

Saturday's game was the snappiest and most interesting of the season, and was won by the superior all around work of the Texas team. Johnson, who pitched for Texas, kept them hitting to the infield, and Stacy, Hughes and Wathen did the rest. Johnson was

wilder than usual, owing to his long absence from the pitchers box, and in consequence the visitors had men on the bases in nearly every inning, but everybody was steady in such crisis, and there was never any real danger, three double plays assisting in the disposition of the visitors.

McCormick was behind the bat. Brownlee having injured his arm sliding to first on the previous day, and delivered the goods in great fashion both in fielding and hitting. Few were the Jawhawkers who could be induced to try conclusions with his terrific whip. Wilson, who started out to twirl for Arkansas, was disposed of in the first inning.

Hits by Hughes, Wathen and McCormick and Sample's error on Adamson's long fly turned this trick. Three more were added in the second when Johnson and Hughes Walked and Wathen lifted a tall one over the fence. Another was shoved across in the seventh, when Adamson hit, stole second and scored on Stoke's error on McCormick's drive.

Arkansas' two runs were due to bunched errors in the fourth. Stoke's hit, errors by Johnson and Robertson and a wild pitch tell the story. The remainder of the game was marked by scintillating plays in the Texas infield, but there was nothing doing that could be well transferred to paper. It was just team work, and everybody playing fast ball.

A feature of the game was Liddell's twenty-one chances, of which he accepted nineteen.

The score:

The Y. M. C. A. and Y. W. C. A. will give a joint picnic next Friday, May 1. Everybody is cordially invited to attend. The party will meet in front of the Woman's Building at 5 o'clock, and as usual proceed from there to the picnic grounds. Those who attend the ball game are invited to come out to the picnic after the game.

The regular meeting of the Y. W. C. A. was held Monday afternoon in the Girls' Study hall. There was a large attendance.

President Elliot of Harvard University, in an address to the students of Illinois, startled his audience by the statement that he believed dancing should be made a required subject in all college curriculums.

LEAGUE GAMES BEGIN

THE CLUB AND FRAT BASEBALL LEAGUE PLAYS FIRST GAME ON MONDAY

After administering stinging defeats to several organizations the Baracas at last got theirs at the hands of the Delta Sigma Phi. The Christians had their star performer, Love, in the box for them, but he was driven to the "forest primeval" before the curtain had long been up. The Delta Sigs smashed the pill to all corners of the lot and succeeded in losing three balls in the weeds that grow along the borders of the outer gardens. The Baraca's had to fight against "Rabbit's-Foot" Philpott, better known as the curveless wonder, who pitched such glistening ball in the class series. Owing to the heavy stick work of his comrades Philpott did not have to exert himself very much. When the curtain was rung down the score stood 14 to 7, with the frat boys predominating.

Sigma Chi, 4; Chi Phi, 2.

In a fast and snappy game the Sigma Chi sent the Chi Phi to the pickle boat by the narrow margin of 4 to 2. The game was one of the best of the year and belonged to anybody until the last man was shot down. Kleberg pitched for the winners, and few hits were recorded against his delivery. Wilford worked for the Chi Phi and it is seldom that a man loses when pitching in the style he did. Both sets of athletes were on edge from gong to

INTERSCHOLASTIC MEET TOMORROW AFTERNOON.

(Continued from page 1.)
versity interest also runs high, so that a large and appreciative crowd is assured. The track management wishes to impress upon those who attend the recent class meet that the events of the meet tomorrow will be carried out with much greater speed than was evidenced in the former meet.

The following schools have already sent in the names of the men who will represent them. They are as follows:

Allen Cademy — Cleveland, Peeler, Nogness, Johnson, James, Highsmith, McAshan, Buchanan, Stoneham, McCorquodale, Ross, Wilson.

Peacock Military Academy — Power, Morrel, McFadden, Ashpaw.

Big Springs High School—Williamson. The events will be 50, 100, 220 and 440 yard dashes; 120 yard hurdle; 1-2 mile relay; discus; 12 lb. shot put; hammer throw.

A small admission fee of 25 cents will be charged, and the proceeds will be divided among the contesting schools.

The officials so far selected are as follows:

Referee—Mr. Metzenthin.
Timers—Dr. Mather, C. Ramsdell, Bantel, and I. P. Loehridge.
Starter—Henry Fink.

Weight Judges—Parish and Vickers.
Judges for Finish—Bowie Duncan and P. J. Lawless.

Coach Howser and Manager Boothe have appointed several committees to see that the high school and prep boys will be royally entertained while in Austin. The Texan was unable to secure the names of those appointed on the committees.

MEMBERS HEAR WELL RENDERED PROGRAMS.

(Continued from Page 1.)
the Rusk would have the annual banquet and the Reed contest. The members present were divided, and only after a warm and lengthy discussion, did they decide to have the Reed contest the third Saturday night in May at the Rusk hall, and the banquet the fourth Saturday night at the Brackenridge hall.

ATHENAEUM.

The Athenaeum Literary Society met Saturday night, April 25, with a large membership present. An unusually good program was rendered, and it is notable that when the roll was called, every man on the program answered "present" with the exception of one whose place was filled by our debater, Mr. F. M. Bransford. Mr. Howell presented a very able oration on the "Monroe Doctrine," after which the society was entertained with a declamation by Mr. Weeks.

The question debated was "Resolved, That State Prohibition is Preferable to Local Option." The affirmative won. The best speech of the evening was, perhaps, made by Mr. Hoffman. He has a splendid voice, a good bearing on the floor, and a clear head.

Those who were not present at the Athenaeum Saturday night certainly missed something.

Do you know that you can always get up-to-date cut flowers suitable for any occasion at the Hyde Park Floral Co.? 822 Congress avenue.

MEMBERS OF SIDNEY LANIER ENTERTAIN

RECEPTION GIVEN TO YOUNG LADIES OF UNIVERSITY AND MEMBERS OF THE FACULTY—AN ENJOYABLE AFFAIR.

One of the most delightful college social functions that has been carried out at the University for some time was the Sidney Lanier reception of last Saturday afternoon. On the evening of the festivities the parlors of the Woman's Building presented a pretty effect, being charmingly decorated with clusters of sweet peas and carnations and beautiful American beauty roses. In the vestibule swung a large electric monogram of the Sidney Laniers and the result of the blending of the colored lights was unique. The scheme of all decorations was to carry out the colors of the society and this was done with a taste which of itself spoke much for the beauty of the occasion.

The reception was given by the members of the Sidney Lanier to the young ladies of the student body in general, to the Ladies' Club and the members of the Faculty. Many persons enjoyed the pleasing features of the occasion, and the Sidney Laniers stood forth as finished in the art of hostesses. In the receiving line were the officers of the society, Misses Atwell, Coldwell, Terrell and Corley and Misses Wright, Caruthers and Lavender.

After the many guests had gathered, several charming musical selections added to the pleasure of the evening, and then the delightful refreshments were served. This consisted of raspberry ice and whipped cream, thus daintily carrying out the red and white colors of the society.

On the whole, the recent Sidney Lanier reception was one of the most generally pleasing occasions that the University girls have enjoyed in some time, and it will be long remembered by the many who had the pleasure to be the guests of the society members.

Miss Georgia Merrick has returned from a visit to her home in San Antonio.

Hot and cold baths at the Central barber shop, 607 Congress Ave.

Leon Goodman has returned from a visit to his home in San Antonio.

Misses Geils Adoue, Abbie Crain, Lucy Stevens and Marguerite Morris have returned from a visit to San Antonio.

Where shall I go for a nice hair cut? To the Central of course. The largest and most accommodating in the city. Reno & Reasonover, 607 Congress Ave.

Mr. W. D. Smith has returned from the Delta Chi convention at Syracuse, N. Y.

Mrs. J. B. Adoue of Dallas chaperoned the Misses Crane, Morris and Adoue for a trip to San Antonio.

NOTICE, SENIORS!

Caps and gowns may be rented or bought through the Co-op. Measurements must be taken by Wednesday, April 22. Please attend to this at once, as it will take some time to have the garments made. Those desiring to rent must also be fitted by Wednesday.

LAW TOPICS OFFERED FOR SUMMER SCHOOL

PREPARATIONS BEING MADE FOR A LARGE ATTENDANCE—GROWTH HAS BEEN PHENOMENAL.

Preparations for a large attendance at the summer school have been completed, and the professors to be in charge of the various departments have been assigned. The growth of the summer attendance for the past few years has been phenomenal, clearly demonstrating its effectiveness and valuable help to those who seek aid in the various schools of languages, literature, art, science and law. The School of Law is a comparatively late addition to the summer school, but it has been enthusiastically approved by all who have sought instruction in the courses offered.

The topics offered this summer have been arranged under three groups, covering the Junior and Middle year courses of the regular school:

Group I, open to all students, comprises Blackstone, Contracts, Evidence and Criminal Procedure.

Group II to be taken by students who, by previous study or other satisfactory evidence, can satisfy the professor of their ability to pursue the subjects, comprises Real Property, Equity and Commercial Law.

Group III, comprising Partnership, Municipal Corporations and Practice in the Federal Courts, will be given if there are a sufficient number of students applying for these topics.

The design of the Law School is to aid, by a systematic presentation of the above named topics, those who are preparing to obtain licenses to practice law by examination before the regular board of examiners—also to give an opportunity to those who have attended law schools in other states, but intend to practice in Texas, to familiarize themselves with the laws of Texas before entering into the practice.

Again, practicing lawyers who believe that a thorough training in legal principles is more important than precedent, may, in this school, review their elementary studies, refresh their memories, and otherwise stimulate their professional development.

The systematic presentation of the legal topics above mentioned, as given by the faculty, offers also an opportunity to young men who do not intend to practice law, but are willing to give, for general information and culture, a part of their time in the summer to the study of the laws of their state.
