Dear Dr. Stenzel:

The Geological Survey is considering the appointment of Mr. John H. Dante to a position in the Military Geology Unit. The position is in connection with the preparation of reports on the natural resources of foreign countries, especially water supplies and mineral resources. Mr. Dante has given your name as a reference. Would you be kind enough to write us concerning Mr. Dante and his qualifications for the position. We shall be very grateful to you for your assistance in this matter.

Sincerely yours,
