

AGORA EXCAVATIONS
AMERICAN SCHOOL OF CLASSICAL STUDIES
ATHENS, GREECE

May 14, 1955

Professor Emmett Bennett
Department of Classics
Yale University
New Haven, Conn.

Dear Emmett:

Many thanks for yours of May 9th. I have written to my colleagues at the Institute explaining your situation and recommending that the Institute make a supplementary grant to enable you to take up membership. Our stipend fund, I know, is low, so that there is no certainty that this will be possible, but in any case let us hope for the best.

Sincerely

Homer A. Thompson
