

GREAT DEBATE WILL BE TOMORROW NIGHT

UNIVERSITY QUARTETTE AND VARSITY BAND WILL RENDER MUSIC FOR THE OCCASION.

EVERYBODY IS EXPECTED

The eighth annual debate between the University of Missouri and the University of Texas will be held in the University Auditorium on Thursday evening, May 4th, at eight o'clock. The University of Missouri has won four of the seven previous debates, and our team has determined to tie the score on Thursday night.

The question for debate will be: "Resolved, That the adoption of the principle of free raw materials in our tariff legislation would be for the best interests of the South." The University of Texas holds the affirmative of this issue, while the negative will be defended by the visiting team.

The University of Missouri will be represented by Mr. J. W. Oliver and Mr. C. E. Litchfield. Neither of these gentlemen have ever been in Austin before; and so we do not know much about them. They have the reputation, however, of being a formidable team; and we hope to have a more intimate acquaintance with them at the close of the argument on Thursday night.

Texas will be represented by the strongest team that the University has put out in many a year. The gentlemen composing this team are Mr. Luther S. Hoffman, of Denton, and Mr. Hugh Potter, of Gainesville, Texas. Mr. Hoffman is President of the Students' Association, and is a member of the Senior Academic class; while Mr. Potter, who is this year a member of the Junior Law class, holds a Bachelor's degree from Harvard, and represented that University last year in its annual debate with Princeton. Neither of these gentlemen need an introduction to a University audience, because their ability as orators and debaters is well known to every student and friend of the University.

The University Orchestra will be before the debate begins. They will present, and will furnish the music be followed by the University Male Quartette, composed of Messrs. Peet, Hamilton, McGown, and Brownlee, who will sing the new University hymn. This hymn, together with the music, was composed by Dr. Lewis H. Haney, head of the Department of Economics, and will be heard for the first time in a University gathering on Thursday night. Unlike the large universities of the North and East, Texas has never heretofore had

(Continued On Page Four.)

Luther S. Hoffman.

TEXAS-BAYLOR MEET AGAIN SCHEDULED

MEET WILL BE TOMORROW, RAIN OR SHINE—TEXAS ESPECIALLY STRONG IN SPRINTS.

COACH RIX PERSISTENT

At last thru the earnest endeavors of Manager Anderson and Assistant Manager Cohn, the students of the University will have a chance to see the Knights of the Abbreviated Trainers work before they travel to A. & M. to defend their laurels of the previous season. For some time it seemed as though the teams throughout the state were afraid to risk their strength against us in a dual meet, each one preferring to wait until the big State Meet at A. & M. However, after some persuasion Baylor has been induced to give us a trial—so it is up to the student body to get behind the team and help them win.

While it is recognized throughout the state that Texas has one of the best track teams in her history, yet Baylor is not to be ignored. With such men as Fouts, Robinson, Henry, Adams and Captain Ewing they will make Estill's team fight to the finish. One advantage in their favor is that they have had the experience of two or three meets, while the Texas team has never been put through a hard test this year.

However, Coach Rix says the men are in fair shape and with the remnants of the Southern Championship team of last year and the new material developed by Coach Rix, he expects to make a clean sweep. Texas is especially strong in sprints. Hoover, Rothe and Melasky have all run the century in ten flat; and at present with the exception of Melasky, who has a sprained ligament, are in fine form and may even break this record. In the 220, Hoover and Rothe will uphold their own against all comers. While in the 440, Texas has a wealth of new material—Graham, Stallings, Maner, Vining—all good ones and with Rothe, Hoover

(Continued On Page Four.)

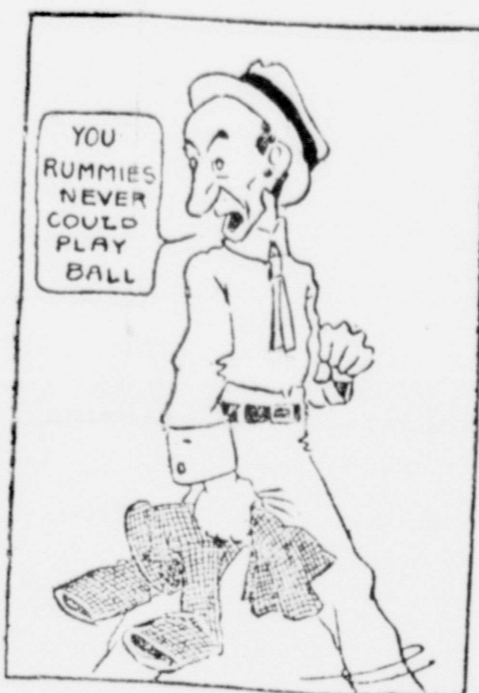

LONGHORNS HAVE WINNING STREAK

SOUTHWESTERN AND DANIEL BAKER SUFFER DEFEAT AT HANDS OF DISCH'S MEN.

TEXAS VS. A. & M. TODAY

Even the skeptical and pessimistic are now beginning to realize that Coach Disch has accomplished more in his three months' stay with us than three years of work under other coaches. At the beginning of the season, when the nine was swatted by the faculty, when the pitching staff was reduced to nil, and when we lost games away from home by no small scores, the kickers began to cry that there was no use, that Texas could never have a winning team.

Coach Disch showed them where they were wrong. He picked up the

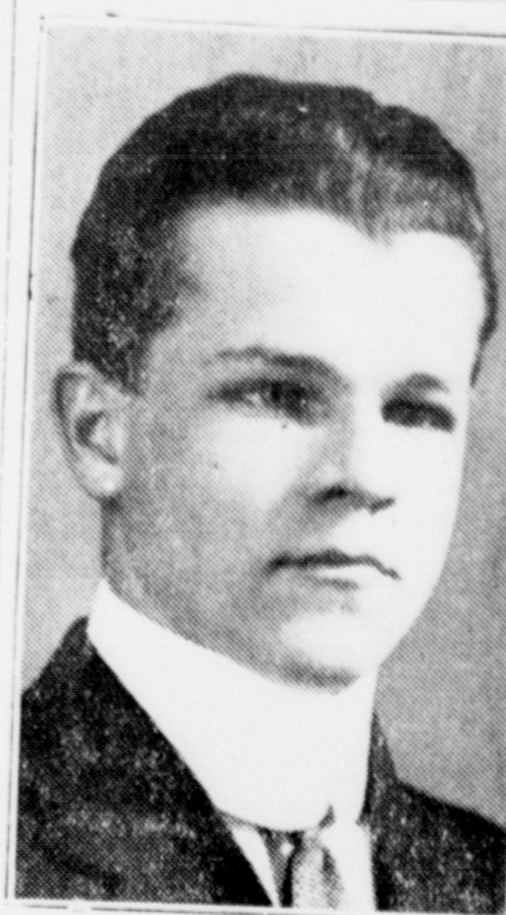

Dean Battle Ragging the Southwest team players after Monday's game.

pieces of his shattered nine, reached over into the unthought of regions, found Jones and Massingill, spat upon the ground, tucked the team under his arm and took a trip with them for recuperation's sake. And they recuperated, too. The first report from Fort Worth was to the effect that Neblett had beaten Morton, of T. C. U., and that Disch's nine had "too much pepper." They returned from a very successful trip, and cleaned up Daniel Baker to a fare-you-well. That wasn't enough. They pounced on their puffed up neighbors, the Methodists, and knocked from them all hopes for the pennant of the Interscholastic Association.

In the first Daniel Baker game, Jones held the visitors to four little bingles, one of which was a big one, over the left field fence, after two men had hit safely. The Longhorns hit Kelley at will. Baldwin's fielding was excellent, as was Long's work with the willow. The score:

Texas	B	R	H	O	A	E
Long, 1st	5	2	3	16	1	0
Baldwin, 3d	5	1	0	1	5	0
T. Moore, ss	4	0	1	3	2	0
Massingill, rf	3	2	1	0	0	0
Stacy, 2d	4	2	0	1	1	0
Russell, lf	2	1	0	0	0	0

CIRCUS WILL HAVE ELABORATE COSTUMES

MANAGERS SECURED \$3000 EQUIPMENT USED BY ELKS AT DALLAS CONVENTION.

NUMEROUS SIDE-SHOWS

The managers of the Varsity Circus have played in great luck for they have been able to secure the three thousand dollar equipment which was used by the Elks of Dallas in their circus in the Coliseum. The splendid outfit of costumes, novelties, and necessary paraphernalia coming at such an opportune time and at such small cost will be a boon for the Circus.

A force of men will convert the athletic field into a big circus grounds as soon as the baseball team is through. The rings will be laid out, platforms erected, telephone poles put in, a hundred arc lights suspended, the pike laid off, side-shows built, and the entire field put in order for the greatest circus in the South.

Already the circus stunts are well under way and more coming. Harris, Toombs, Hardwicke, English, Reese, McGee, Garrett, McNeill, and Pinkney have their heads together over the details of the best stunts in or out of professional circuses. There will be a bunch of forty rough riders, thirty-five clowns, a Harris-Toombs band, fancy and funny tumbling, chariot races, tight-wire walking, balancing, four hundred and three other stunts ending with the startling dive for life from forty-five feet in the air.

The Co-op will have charge of the popcorn concessions, so you can buy a wheelbarrow load for a dime. There will be two thousand good grandstand seats. No passes will be issued—no one allowed to pay twice. The immense menagerie of wild animals is free to those having a general admission ticket bought before 6 p. m. Watch the bulletin boards and papers for details. Keep up with the Circus, take pictures of the parade—its the biggest thin in years. See Laffatit.

HIGH SCHOOL ATHLETES AND DEBATERS TO CLASH

VISITORS WILL BE GUESTS OF STUDENT BODY—MANY WILL ATTEND DUAL GATHERING.

MEET IS IMPORTANT

The seventh annual interscholastic track and field meet, coupled with the first annual session of the Debating and Declamation League of Texas schools will without question be the biggest of the many great scholastic gatherings ever held at the University.

Interest is being displayed from all sections of the State, the district preliminary meets have been held and only the cream of their respective districts in athletics and forensics will appear here Friday and Saturday. A special rate of one and one-third fare has been secured on all railroads for the round trip.

Assistant Manager Cohn of the track team, who has the securing of accommodations in charge, announces that only one-half are provided for. This should be attended to at once. Don't procrastinate on this occasion. Stir up your organization, take up a collection at your boarding house and help show the visitors the University. Phone Cohn at 2293, as to how many you can take.

The Gainesville debating team, consisting of Ben Critz and Walter Lynn have already arrived and are working hard in delving into the prohibition question, the topic for debate.

Arthur O'Connor, Thornton Hardie, H. A. Melasky, Geo. Lewis, Tom Knight and Joe Cohn are the committee to meet the incoming athletes and debaters; they request that if a team is coming from your home town, that you co-operate with them in welcoming them at the train.

The track meet will be refereed by Coach Rix, and the Varsity track men will serve as officials in their respective events.

The program as announced by the committee will be as follows:

Friday, May 5th.
2:00 p. m.

Meeting of high school teachers, University Auditorium. Theme: "Courses of Study for the Vocational Subjects."

First preliminaries of Debating League, Law Building.

3:00 p. m.
Preliminaries of Track Meet, Clark Field.

4:00 p. m.
Second Preliminaries of Debating League, Law Building.

8:00 p. m.
Semi-final contest of Debating League, University Auditorium. (Not open to public.)

Saturday, May 6.
9:00 a. m.

Meeting of high school teachers and pupils at the University Auditorium.

1. Discussion and adoption of a constitution for debating and declamation league of Texas schools.

2. Conference on teaching of pub-

Subscription Price \$1.50 per year
 Business Office Room 46, University

A committee from the Texan Board, acting with a committee representing the Students' Association, after examining with careful scrutiny the various systems in vogue in American colleges for the selection of editors and associate editors of college publications, have devised the plan, given herein in the form of an amendment to the Constitution of the Students' Association, as the most practicable and suitable competitive system that can be possibly adapted to conditions as they exist at the University. The plan as given is plain and self-explanatory. To enable one to be associated with the Texan Board in the first instance, he must establish his worth by measuring his energy and ability with all comers in open fair competition, being judged by capable, impartial judges. Having been selected in due time as an associate editor by reason of his proven ability, the associate editor must then during his service impress his worth upon the other associates in order to be chosen by them to act in one of the more important editorial positions. Then, to be elected as editor-in-chief, one must first be nominated along with two others by the then existing Texan Board, and be selected by the Advisory Board as the most capable one of the three to act in the capacity of editor-in-chief. The sole basis of the scheme is merit coupled with journalistic ability, and it is surrounded by every possible safeguard. The important thing to do now is to adopt this amendment, and thereby improve the Texan one hundred per cent and initiate constructive progressiveness in this University.

There will be those who are unknowing and therefore skeptical; there will be those who know, but who differ because of the opportunity for oratory that is opened; but let every one study this plan and then see whether or not any material reason can be urged against its adoption, and if anything but good can possibly result from its adoption.

The editor of the Michigan Daily declares that any system but a system of selection by competition is inherently faulty. Of the success of the Michigan plan, he says that "there has been, since the reorganization of the paper, no instance within my knowledge of the election of a man who has not rightly earned by devotion, capacity and long experience the office of editor-in-chief. Anyone may try out for the paper; there is no favoritism in appointment, merit being the strict and only basis of advancement."

We believe sincerely, and, from the expressed opinion of many students, we feel confident that the student body firmly believes that The Texan should be absolutely removed from politics. To be worthy of the student body and institution, it is essential and necessary that it be altogether above a partisan plane, and to effectuate this, the competitive system of determining the Editor and Associates of The Texan must be inaugurated. The adoption of the selection by competition plan has everywhere been attended with remarkable successes,—in improving the quality of the journalism, in extending the publication's influence and serviceability, in converting the paper from a weekly or semi-weekly into a daily, in increasing its size, circulation, and advertising value, and in opening the field of journalistic effort to those who would be otherwise excluded because of their contempt for political chicanery.

To accomplish this undertaking we must all pull together! It is not the scheme of The Texan Editor and Board. It cannot possibly enure to our special benefit. It is a crying need, the remedy for which we are trying to apply, and it is for the student body to decide whether we shall be broad and circumspect and progressive, or remain as we are, narrowly conservative. Let the whole student body back this movement! Do not attribute selfish or ulterior motives to anyone. Do not pick imaginary flaws. Realize that this is an effort to greatly benefit The Texan and the University; that to accomplish this we must all be active in its support; and think and talk about this competitive system until you see that it is written and adopted in the Constitution of the Students' Association.

COMPETITIVE SYSTEM AMENDMENT TO CONSTITUTION OF STUDENTS' ASSOCIATION.

Amend Art. 2, Section 2, Subdivision C, Subsection 1, by adding, "except as hereinafter provided."

Amend Art. 2, Section 2, Subdivision C, Subsection 2, to read as follows: "The association shall elect a Business Manager and Assistant Business Manager."

Amend Art. 2, Section 2, Subdivision C, by adding Subsection 2A, to read as follows:

(1) The editor-in-chief and associate editors of The Texan shall be selected on a purely competitive basis, in which merit and journalistic ability are the prime qualifications, and without regard to political or other considerations.

(2) The authority to enforce a full and faithful compliance with the letter and spirit of the competitive system hereinafter outlined shall be vested in a Advisory Board, consisting of two students elected annually by the student body at the regular meeting of the Students' Association held in May, to serve for the following year, and one member of the Faculty appointed by the President of the University. (The student members to serve for 1911-12 shall be elected at a special meeting of the Students' Association to be held in October, 1911, on some day designated by the President of the Association.)

(3) The Texan Board shall consist of an Editor-in-Chief, Managing Editor, Assistant Editor-in-Chief, Athletic Editor, Society Editor, and twelve Associate Editors.

(4) The associate editors, when there are vacancies, shall be elected from those who have competed for at least two full successive terms or doing assigned and voluntary work, and who have maintained the highest standard in such work; the sole standard and basis for determining the qualifications of those competing shall be merit and journalistic ability as established by the amount and quality of work done and accepted;

(5) The term of service of associate editors shall continue as long as they are active in such capacity, but may be terminated at any time by resignation, withdrawal from the University, removal by the Editor-in-Chief for failure of performance of duties assigned, or by removal by the Advisory Board for good cause;

(6) The Advisory Board, acting together with an executive committee of three, including the Editor-in-Chief, elected from their number by The Texan Board, shall meet whenever it is considered necessary or advisable, and on majority vote, shall elect associate editors to fill any or all vacancies from among those actually competing;

(7) The Advisory Board, on the last Tuesday in May, shall elect one from among three nominated by majority vote of The Texan Board to serve as Editor-in-Chief for the following year. No person may serve as Editor-in-Chief for more than one scholastic year;

(8) The Managing Editor, Assistant Editor-in-Chief, Athletic Editor, and Society Editor shall be elected the last Tuesday in May to serve for the following scholastic year by a majority vote of the Texan Board from their number. A person may serve, if re-elected, for more than one scholastic year in such capacity. These editors may be removed under the same circumstances which would justify the removal of an associate;

Amend Art. 2, Section 2, Subdivision C, by striking out Subsection 4.

Amend Art. 4, Section 3, Subdivision D, by striking out the words "and the Texan."

Signed,

GEO. A. HILL, Jr., for The Texan Committee:

WOMAN'S COUNCIL WILL GIVE "STUNT PARTY."

On Friday afternoon at 4 o'clock,
in the Study Hall, an event will
take place that will be of interest
to all University girls, (boys too, but
they are not invited). The occasion
is the last meeting of the Woman's
Council for the year, and it bids fair
to be among the best. The feature
of the entertainment will be a "Stunt
Party" which is a new one, but you
must come and see what it's all
about. The wit and fun to be dis-
played will rival that of the Ca-
cuses. It may even favorably compare
with the Varsity Circus. Anyhow,
University girls, you will want to be
there. In addition there will be
the election of officers for next
year.

A meeting of the Students' Associa-
tion has been called for today, at
4 o'clock p. m., to consider the pro-
posed plan for building a \$75,000.00
gymnasium for the University. The
students are not asked to give one
cent. Their undivided support and
encouragement is all that is desired.
The lot for the building has already
been purchased. Every man and woman
should be present in the Auditor-
ium at 3 p. m.

L. S. HOFFMAN,

President Students' Association.

By Innings:

Texas 000 140 10—3
Daniel Baker 000 000 000—0

Summary:

Struck out—By Massingill 13, by
Bergman 9.
Bases on balls—Off Massingill 3,
off Bergman 4.

Hit by pitched ball—Massingill, Pin-
son.

Passed ball—Brown.

Time of game—Two hours.

Umpire—Comstock.

The Southwestern game was an ex-
cellent contest from beginning to

end. It was a pitchers' battle be-
tween Jones and Ayres, in which
Ayres had the edge on control, but
Jones on effective work in critical
periods. Southwestern's five hits
were scattered through four innings,
while the Longhorns bunched three
in the eighth. Jones is steadily im-
proving in his pitching and hitting.
In Monday's game he fouled three
balls. This is a very hopeful sign
and within a week he may be induc-
ed again to knock the pins out from
under the second baseman.

Brown's catch of Bobo's liner in
the first inning saved a run. Shef-
field's catch of Massingill's fly in
the fourth was a pretty piece of
work. The score:

Texas— B R H O A E
Long, 1st. 4 1 1 13 1 0
Baldwin, 3d. 3 0 0 2 1 0
F. Moore, ss. 3 1 1 2 1 2

By Innings:

Texas 000 000 22—4
Southwestern 000 000 000—0

Summary:

Stolen bases—Stacy, Snipes, Bald-
win.
Sacrifice hits—Bobo (2), Baldwin,
Stacy.

Two-base hit—Sheffield.

Double plays—Yardly to Word to
T. Moore.

Struck out—By Jones 6, by Ayres
6.

Bases on balls—Off Ayres 1, off
Jones 6.

Wild pitch—Jones.

Time of game—One hour and fifty
minutes.

Umpire—Comstock.

TEXAS-BAYLOR MEET AGAIN SCHEDULED.

(Continued From Page One.)

and Captain Estill to fill in the re-
lay, ought to do wonders. However,
Capt. Estill's particular stunt is the
hurdles. At present, in going over
the high sticks in record time and
it seems as tho he will eclipse his
own record of last year. Other
hurdlers are Ross, Bevil, Mosely,
Daniels. In the weights, Texas has
five mighty stars in the Harrell
brothers, Niblo, Stallings and Kirk-
patrick. The pole vault will be ably
taken care of by Dick Fleming and
Red Lawther. In the high and
broad jumps Vining, Slim Lawther,
the human toothpick, Cartwright and
Beoth will do wonders. While At-
kins, Smith, Bruce, Toombs, O'Con-
nor and Cheatham, winner of the
half mile in Southern Championship,
will show effects of their excellent
coaching by lowering all records.

The meet will be pulled off rain
or shine on Thursday, the 4th of May
on Clark Field, at 2:30 p. m. Ad-
mission 25c. Everybody come.

a hymn, and we ought to adopt the

one Dr. Haney has so kindly
ten for us and make it ours.

Owing to the fact that the
Students' Council has failed to
any appropriation for debating
poses, the Oratorical Association
run deep into debt this year, and
order to defray the expenses of
and of former debates, a nomi-
mission charge of twenty-
will have to be made. Do not
this small sum keep you away
cause the debaters have up-
rior of the University this year
every debate that we have had,
we should stand by them now
show them that we appreciate
they have done.
