

1001 101 1001

April 12, 1931

My dear Dr. Sellards:

Let me thank you for your kind letter of April 10 and your interest in my application.

In accordance with your suggestion I am enclosing a concise statement of particulars about myself which you may send on to the National Research Council. I hope it will contain all information necessary. It might perhaps be also advisable to send the enclosed reprints of my publications to the Council.

Sincerely Yours

WBS:Q

H. B. Stenzel
