Dear Doctor Stenzel,

Please accept my sincere thanks for all the reprints which you mailed me a short time ago. These reprints will serve me and my graduate students to a good advantage.

Miss Keen showed me your letter of Apr. 30th and I was very happy to learn that the loaned material has already proved to be of value in your research. I also wish to join Dr. Keen in sending you our thanks for the Easter present. Teaching load prevents me from chatting with you more on the subject of paleontology so with with best wishes I will ring off until next time,

Sincerely

Simon Wm. Muller.
