POST CARD

To Prof. Alice Kober

1050 East 43rd St.

Brooklyn 10, N. Y.

My dear Miss Koster,

Thanks for sending me the reprint of your article. I had read it already in the RJA and must say, I found it very persuasive and plausible, perhaps I ought to say, convincing. I feel certain you are on the right way.

I hope you'll continue and will find recognition from those who know more about it than I do.

As kind greetings.

Faithfully yours,
E. W. D. West
