**A.R. 9: MASTERS GRADUATE STUDENT RECOGNITION**

DEMANDING THAT THE UNIVERSITY OF TEXAS FIND SOME METHOD OF RECOGNIZING INDIVIDUAL MASTERS GRADUATING STUDENTS AT THE COMMENCEMENT PROCEEDINGS; NOW THEREFORE

Be it resolved by the Student Assembly that:

**SECTION I:** Whereas the University will not be individually recognizing graduate students graduating with masters degrees, and *in all applicable ceremonies*

**SECTION II:** Whereas these same students have made significant contributions of time and effort to receiving said masters degrees, and have thereby significantly contributed to the University as a whole, and therefore deserve to be recognized for their efforts, and

**SECTION III:** Whereas other Universities, such as the University of Houston, are able to recognize said deserving graduate students, NOW THEREFORE

**BE IT RESOLVED BY THE STUDENTS' ASSOCIATION OF THE UNIVERSITY OF TEXAS AT AUSTIN, that**

The University needs to quit making excuses and concentrate on recognizing its constituents for their efforts, as any sane and caring, or even slightly conscientious institution would, namely by individually recognizing students graduating with masters degrees as individuals at the commencement ceremony.
