Dear Rolshausen:

Thank you ~~for~~ your cordial invitation to go with you on the trip to Florida. The University has given me permission to be absent from the State from December 2 - 9 and to take my research assistant and a car along. So I am very well fixed. Thank you never-the-less for your kindness in thinking of me.

I intend to go to Beaumont <sup>or Shreveport</sup> on December 1 and leave <sup>there</sup> Beaumont on December 2 so that I may have a little time to collect on the way up.

With best regards,

Cordially yours,

H. S. STENZEL  
Geologist
