Mr. John Emery Adams
1027 North Alameda
Carlsbad, New Mexico

Dear John :

I am very glad to have the reprint of your paper entitled "Upper Permian Ochoa Series of Delaware Basin, West Texas and Southeastern New Mexico" which I had read already in the Bulletin with great interest.

Let me congratulate you on your election to the G.S.A. Council. I hope you make your voice felt.

Cordially yours,

H. B. Stenzel, Geologist
