

June 18, 1939

Dean A. P. Brogan
Graduate School
The University

Dear Sir:

In answer to your inquiry of April 14, 1939 concerning my bibliography for 1938, the following reports were published in 1938:

(1) The Yegua problem

Pre-print release of Univ. Texas Bull. 2820

(2) Glass sands in Leon County, Texas

Mineral Resource Circular No. 9

Bureau of Economic Geology

I am sorry to have postponed so long giving this information.

Sincerely yours,

H. B. Stenzel
