Dr. H. B. Stenzel  
Shell Development Company  
Exploration & Production Research  
P.O. Box 481, Houston I, Texas

Dear Dr. Stenzel,

I send to you by surface mail a parcel containing the following species :

Ostrea bourguignati Coq.  
Exogyra matheroniana d'Orb.  
Cubitostrea cubitus Desh.  
Ostrea rediviva Coq.  
Ostrea saccellus Duj.  
Ostrea dorsata Desh.  
Ostrea crassissima Lam.  
Gryphaea cymbium Lam.

I have added to the lot :

Ostrea lignitorum Coq. from the upper Cenomanian of Saint Julien de Peyrolas (Gard)

Ostrea malleteana Em. Dumas from upper Turonian of La Bastide d'Engras (Gard)

and I hope that they can be of some help to you.

With all my best wishes,

Yours very sincerely

  
J. Sornay
