Dr. H. B. Stenzel,
Bureau of Economic Geology,
Austin, Texas.

Dear Dr. Stenzel:

I have received the abstract of your paper -
"Surface Relationships of the Carrizo Sand of Texas" - that you
delivered before this Society March 3, 1941.

Many thanks for your prompt reply to my request.
Upon publication of the digest copies will be sent to you.

Yours very truly,

JLF:od
