The American Association  
of Petroleum Geologists  
P.O. Box 979  
Tulsa, Oklahoma 74101

Gentlemen:

I understand I am eligible for remission of dues beginning with this summer. I am now past 71 years old and am retired as a Consultant Professor without retirement pay at the Geology Department of Louisiana State University. I joined the American Association of Petroleum Geologists in 1934. That seems almost prehistoric.

Sincerely,

H.B. Stenzel  
Consulting Professor
