Dear Steve :

Thank you for your kind letter of November 7. I am glad to hear from you always.

As to the Annual Meeting of the SEPM, I had not planned to go to Houston at all. As a matter of fact I am very hard put these days to find any spare time at all and in addition I do not want to leave my children by themselves. They are reliable and almost grown-up, but they do need my presence nevertheless. So I have to decline your invitation to present a paper in Houston. Sorry.

Give my best regards to our mutual friends, please.

Sincerely,

H. B. Stenzel
