Dear Mrs. Palmer :

Please pardon the delay in answering your letter of September 3. I had misplaced the letter. You will find the description of your locality No. 727 in University of Texas Bulletin 3501, page 271, footnote 6. On the same page there is also a detailed section of the outcrop. Possibly you may not have a reprint of that publication; so I am sending one to you.

With best regards,

Sincerely yours,

H. B. Stanzel, Geologist
