Texan 3/11/49
The Eugene C. Barker Texas History Center, housed in the Old Library Building of the University, is scheduled to receive \$34,000 worth of new furniture. The purchase has been authorized by the Board of Regents, and bids will be called for in the near future.

Proposed in the early 1930's, the center will be open as soon as electric fixtures are installed and furniture is delivered.

Workmen have been at work since early fall installing a new marble staircase, refinishing woodwork, partitioning off rooms, and revising lighting systems.
