Dr. H. A. Pilsbry
Academy of Natural Sciences
19th and The Parkway
Philadelphia, Pennsylvania

Dear Dr. Pilsbry :

By separate mail I am sending you a vial of alcoholic snail specimens from San Marcos, Texas. I hope they are of some use to you.

My visit to Philadelphia was so pleasant and interesting that I am looking forward to the next one whenever that will be. Many thanks for the many courtesies and help you have extended to me.

With best personal regards,

Sincerely yours,

H. B. Stenzel, Geologist
