Dear Dr. Heroy:

I hope you remember me. If not, I am sure your father can refresh your memory. He is the one who introduced us several years ago.

I would appreciate to have the opportunity for a conference with you. With that in mind I would like to know whether you will be at Texas A.&M. for the meeting of the South-Central Section of the G.S.A. during April 2-4, 1970. Perhaps we could then have a conference lasting about one-half to one hour.

With best regards,

H. B. Stenzel
