Dear Doc:

If you haven't made up your mind - letter
 don't pretty soon. Hope you decide to go to work with
 the co. let you know what you want.

I got a \$40 per mo. raise effective the
 1st. Does that answer your question about
 raises -

If you ever get a chance come down I
 see me - am at E. W. Howards, can arrange a
 place for you to stay.

Have a little touch of 'Flu' so am
 staying in pretty close.

Best regards to Mrs & the little girls.

Mc.
