Mr. Dan E. Feray
1029 East 18th Street
Tulsa, Oklahoma

Dear Dan:

We sent you recently another copy of the map you desired. Is it satisfactory or not? If it is not any better than the one you have, we will have to photostat the original for you. In photostating, we can reduce it to a most convenient size. Please let me know your wishes in this matter.

With best regards.

Sincerely yours,

H. B. Stenzel
Geologist
