Washington, D. C.

Dear Sir:

In response to your letter of
January 7th, the crab which I loaned you
belonged to the Texas Bureau of Economic
Geology.

I suggest that you return it
to Dr. H. B. Stenzel at that institution.
I hope it was of some value to you.

Very truly yours,

J. E. Adams

*I think you might want this specimen.
I don't have any use for it and no place to keep
it if it was here.*
