

August 2, 1965

Professor Curt Teichert
University of Kansas
Geology Department
Lawrence, Kansas

Dear Curt:

For additional literature on Living Nautilus see:

(1) Bidder, Anna, 1965, The Pearly Nautilus: First European Malacological Cong., London, 1962, Proc. p. 111-112, frontispiece.

(2) Denton, E., & Gilpin-Brown, J. B., 1963, On the Buoyancy of the Pearly Nautilus: Jour. Physiology, v. 168, p. 44P-45P.

I hope you keep track of all these references. I don't.

Best wishes.

Sincerely yours,

H. B. Stenzel
