THE MALACOLOGICAL SOCIETY OF LONDON

Dear Dr. Stenzel,

I have just had a note from Dr. Eames that you require volume 31 Pt. 1 and Vol. 27 Pt. 1 of the Proceedings of the Malacological Society of London to complete your set of Proceedings.

On checking my records I realise this order was received during June and I passed the request on to our agents at that time, but there has been considerable delay in their despatch of parts. I think you will find, however, that Vol. 27 Pt. 1 is now well on its way to you, as their backlog of orders was cleared about 3 weeks ago. I am sorry this has happened - as a consequence of change in our agents.

I regret we cannot supply Vol. 31 pt. 1. Copies of the whole volume are sold out.

You did previously use the address 3737 Bellaire Avenue, ^{Bedford} and that is the address to which the order is being sent.

With good wishes, and apologise for the delay,

Yours sincerely,

Joyce E. Rigby
