Dear Mr. Campbell:

Thank you for your letter of February 18. The Bureau is taking care of my expenses on the field trip.

Mr. Hardy Hallers, lawyer for Mr. Bohn, telephoned Lonsdale recently to ask about information concerning the dinner. I was called to the telephone and told him that there was a shortage of food and was trying to intimate that Mr. Bohn did not have a case. I suppose you have heard from the outfit already.

With best regards,

Sincerely yours,

H. B. STENZEL
Geologist
