Dr. E. H. Sellards, Director
Bureau of Economic Geology
The University of Texas
Austin, Texas

Dear Dr. Sellards:

In concordance with our previous conversation, I am writing this letter to ask you to release me of my duties at the Bureau of Economic Geology beginning February 1, 1937. I would appreciate it very greatly if the University would be so kind as to give me a leave of absence starting with that date and continuing until such time as the authorities will see fit.

At this time it is perhaps best to state that I thoroughly enjoyed the work with the Bureau and am leaving only with the very greatest regrets.

I am

Very sincerely yours,

H. B. Stenzel, Geologist
