Dr. H. B. Stenzel, Geologist
Bureau of Economic Geology
The University of Texas
University Station, Box B
Austin 12, Texas

Dear Dr. Stenzel:

I am pleased to have your letter of October 20, 1947 and to learn that you will possibly have a preliminary check list of the mollusks in the beds of Citrus and Levy counties. I shall look forward to receiving the check list and also to learning that your visit will be possible.

Very sincerely yours,

A handwritten signature in cursive script, appearing to read "Robert O. Vernon".

ROBERT O. VERNON
Associate Geologist
