Alterations or Explanation: (written comment)

The Appropriations Committee feels that the Students' Association has the funds available to fully back this project. The first-ever Forty Acres Fest has no funds currently budgeted but has managed to raise ample amounts except for funding for entertainment, a major draw. The committee wholeheartedly thinks that the Assembly should pledge its support and allocate \$5000 from the generated account. Further, in support of the Block Party that is incorporated into Forty Acres Fest, the committee recommends that \$1200 be allocated to defray the costs of the event. Original \$ amount proposed: \$5000

The Financial Director is in accord with this recommendation. Deduction (if any) :+1200
Final proposed \$ amount: \$6200
