

THE UNIVERSITY OF TEXAS
AUSTIN

January 21, 1931

Mr. H. B. Stenzel,
Department of Geology,
A. & M. College,
College Station, Texas.

My dear Stenzel :

Your letter of January 12 is at hand.
I shall be very glad to talk with you in regard to the
work that you have in mind. I shall be in Austin this
week end but not next. So far as I know, I shall be
here usually on week ends thereafter.

Very sincerely yours,

E. H. Sellards, Associate Director,
Bureau of Economic Geology.
