OFFICE OF THE DEAN

Dr. H. B. Stenzel  
Professor of Geology  
University of Texas  
Austin 12, Texas

Dear Professor Stenzel:

We are considering Don L. Frizzell for appointment as chairman of our Department of Geology here. He has given your name as a reference and we would appreciate very much your candid opinion of his ability as a geologist and teacher, and also your analysis of his personality with special reference to the chairmanship.

Sincerely yours,

*G. D. Nichols*
