Dear Henryk:

We believe that Gordon Rittenhouse, president of the S.E.P.M., has informed you of your election to honorary membership in the Society. Congratulations! Because of this honor, the Society will send to you, beginning January, 1959, free of charge, both our Journal of Paleontology and Journal of Sedimentary Petrology.

For news releases later on and also for publication in our Journals, we find that we need 6 glossy prints of your photograph. Could you supply these at your earliest convenience? Prints approximately 2 x 3 inches will be satisfactory.

Also, so that your biographical data will be correct and up-to-date, we shall appreciate your filling out and returning the enclosed form.

Looking forward to hearing from you soon and with best regards, I remain

Sincerely yours,

Robert H. Dott
Business Manager
