FAR EAST WAR COMMUNIQUE

Singapore
January 7th.

Yesterday on the northern front in Lower Perak enemy activity was slight, our positions remaining unchanged. Early this morning the enemy put in a strong attack on this front supported by armoured fighting vehicles making some penetration at one point. Enemy air activity has been considerable. There is nothing further to report from the Selangor area.

In Pahang the withdrawal of our forces continued according to plan. Enemy aircraft attacked Klang yesterday. No damage or casualties have been reported.

There was an alert in Singapore yesterday evening. No bombs were dropped.
