Florence, Dec.10, 1973.

Dear Bennett, mail service is miserable nowadays, so I wonder if you ever got my postcard of Aug.30. I still need a beautiful photo of PY Ta 716 (largest possible size) to reproduce in a forthcoming study of mine. Miss Rawson said she already wrote you about that. Please tell me how much I owe you in US \$, postage and copyright fee &c. included, and I'll send you immediately a check of my NY account. Is there also a special formula for the due acknowledgment of the courtesy?

Just because mail service is what it is, may I also inquire if you received "Origini di Roma" II, dispatched to you last July, and prior to that the reimbursement for supplying so kindly the address labels of "Nestor".

I wish you a merry Xmas and a very happy New Year, and hope to see you in Madrid at the congress of the FIEC in Sept.1974.

Yours
