Dear Miss Kober:

I am sorry that I cannot give you very exact information about the Candia Museum.

So far as the political conditions in Greece are concerned I should not hesitate to go over. Hazel Hansen is going the last of this month. I very much doubt, however, if the Candia Museum will be open.

Why don't you write airmail to Mr. Gorham P. Stevens, the Acting Director of the School at Athens? I think if you do this you can get within a week or a week and a half, a statement from him as to what conditions are. He is pretty pessimistic and if you want advice in favor of going, I should suggest instead you write to David M. Robinson, who is at the School this year as annual professor.

I am sorry I cannot give you more definite information.

Yours sincerely

Louis E. Lord
